DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

2. Overview:

a. Purpose

The Department of Navy (DON) Purchase Card Program expedites the acquisition of mission essential materials and services through simplifying the purchases that are less than or equal to the \$2,500 micropurchase threshold.

The Department of Defense (DOD) and DON made the Purchase Card Program available because it is a fast and efficient way to purchase materials and services and it reduces administrative efforts associated with micropurchases.

b. Benefits

1) Cardholders/Activity Benefits:

Cardholders (CHs) and activities directly benefit from the program by receiving required materials and services in the most timely and efficient manner. Administrative overhead is reduced substantially due to a decreased volume of paperwork.

2) DON Benefits:

The DON benefits financially because the program's invoice and certification process is automated creating the fastest payments to the bank creditor. This results in reduced interest payments and increased cash rebates.

3) Vendor and Supplier Benefits:

Merchants and vendors benefit by receiving virtually immediate payment for goods and services while reducing their billing and accounting overhead. This makes doing business with the government easy and attractive and leads to synergistic partnerships.

c. Major Roles:

The Commanding Officer or Head of Activity (CO/HA) decides if the activity needs a purchase card program and initiates the process to create one.

Working with the activity's Financial Manager (FM) and others, the CO/HA selects an Agency Program Coordinator (APC) and delegates to the APC the authority to run the activity's program.

Each CH is assigned to an Approving Official (AO) who often is the CHs supervisor. The AO can have no more than seven (7) CH accounts under his/her purview and is required to review and approve all CH purchases.

CHs are the individuals who have purchasing authority to make mission essential acquisitions for their activity.

3. How the DON Purchase Card Program Works

a. The Processes

The DON Purchase Card Program can be viewed as several processes that combined allow DON activities to establish, maintain and execute a monthly program cycle. The following ten sections of this guide explain the major program processes in general terms with basic flowcharts.

The details for the execution of these processes are included in the appropriate role guide – APC, AO or CH. The ten major processes are:

- Establishing a Program
- Approving Official (AO) Account Set-Up
- Cardholder (CH) Account Set-Up
- Purchase Workflow
- Cardholder Account Reconciliation
- Pay & Confirm Process
- Disputes Process
- Approving Official (AO) Account Reconciliation and Certification
- EDI External Process
- EDI External Obligation Process
- EDI External Invoice Process
- EDI Internal Process

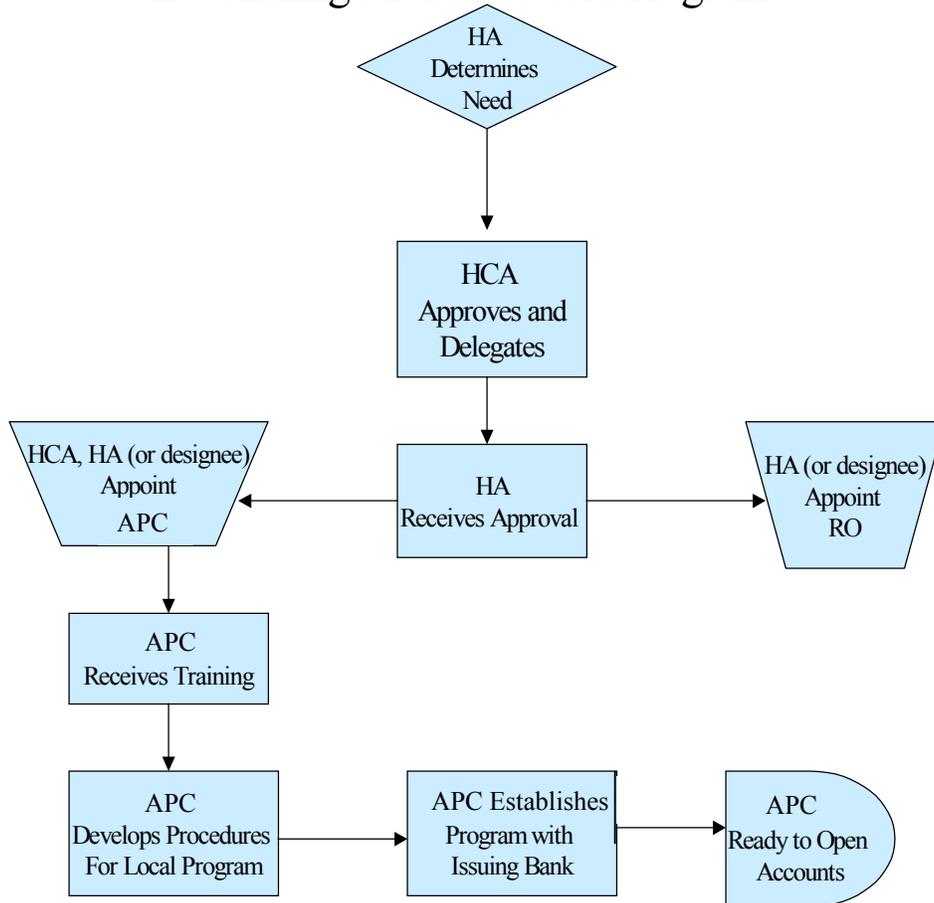

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

b. Establishing a Program

The establishment of a government purchase card program begins with the Head of the Activity (HA) making a determination that a program is needed to support the mission of the organization.

Establishing a Purchase Card Program

When it is decided that a purchase card program is needed, the HA must request authority from the Head of the Contracting Agency (HCA) to establish the program.

After approval is received from the HCA, the HA must assure that a Reviewing Official (RO) is appointed to perform pre and post certification reviews of certified invoices within the purchase card program.

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

The HA is also required to appoint an Agency Program Coordinator (APC) that will be responsible for the management of the activity's program.

The APC must complete the required training and become familiar with all guidance governing the organization's program. This may include, but is not limited to, Federal Acquisition Regulations (FAR), Defense Federal Acquisition Regulations (DFAR) and the EBUSOPSOFFINST 4200.1. The APC is responsible for developing and promulgating any local policy and procedures (Internal Operating Procedure) mission specific to the activity.

The APC coordinates with Citibank under existing contracts and task orders to create a hierarchy level for their organization. Process details vary depending on the automated system used by the agency to communicate with the bank. The details of this process are explained in section 2.3 of the APC Desk Guide.

After Citibank has established a reporting hierarchy with all necessary information recorded in the bank's database, the APC is operational and can begin the Approving Official (AO) account set-up.

c. Training Requirements

1. Navy/Marine Corps Purchase Card Training and Interactive Customer Assistance CD ROM (web-based).
 - a. **All** prospective Agency Program Coordinators, Approving Officials and Cardholders are required to successfully complete this training prior to appointment.
 - b. **All** program participants are required to successfully repeat this training as a refresher every two years.
 - c. Documentation of successful completion of the training must be retained by the individual and the Agency Program Coordinator for the duration of the individual's appointment.
2. Additionally, purchase cardholders who have been delegated contracting/purchase authority via an SF 1402 (Certificate of Appointment) must complete one of the following courses:
 - a. NAVSUP Simplified Acquisition Course;
 - b. CON 101, Contracting Fundamentals or CON 202, Intermediate Contracting.

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

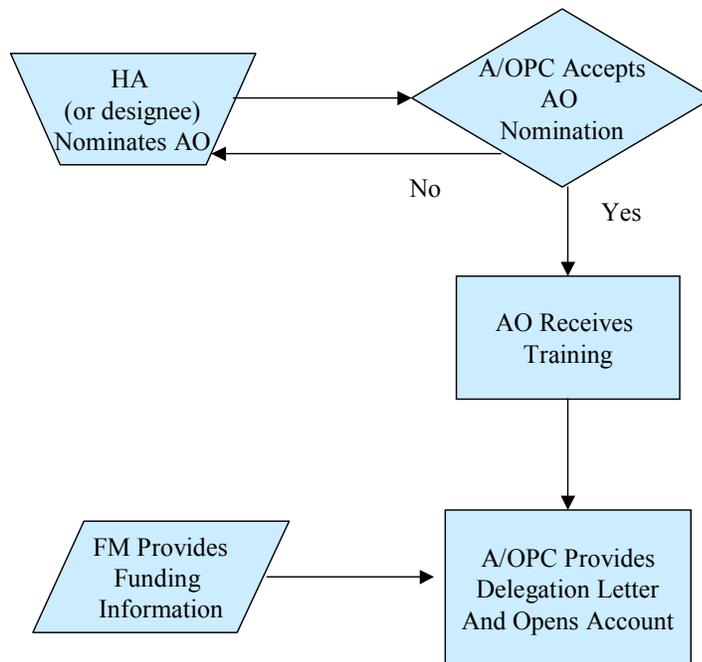

d. Approving Official (AO) Account Set-Up

In order to issue a purchase card, an AO must be designated and an AO account opened before cardholders can be issued purchase cards.

The HA or his/her designee must nominate an individual, either military or civilian, to perform the Approving Official role and functions and forwards it to the HA or his/her designee must nominate an individual, either military or civilian, to perform the AO role and functions and forward it to the APC.

Approving Official Account Set-Up

After the APC accepts the individual's nomination as an AO, the APC must schedule training for the AO. A list of training resources is included in Appendix L of this Desk Guide.

After the AO has received the required training, the APC obtains the necessary information to open an account with Citibank. Demographic and financial information for the individual is necessary to properly establish and affect payment of the account.

The APC then provides the AO with a written Letter of Delegation and opens the account with Citibank.

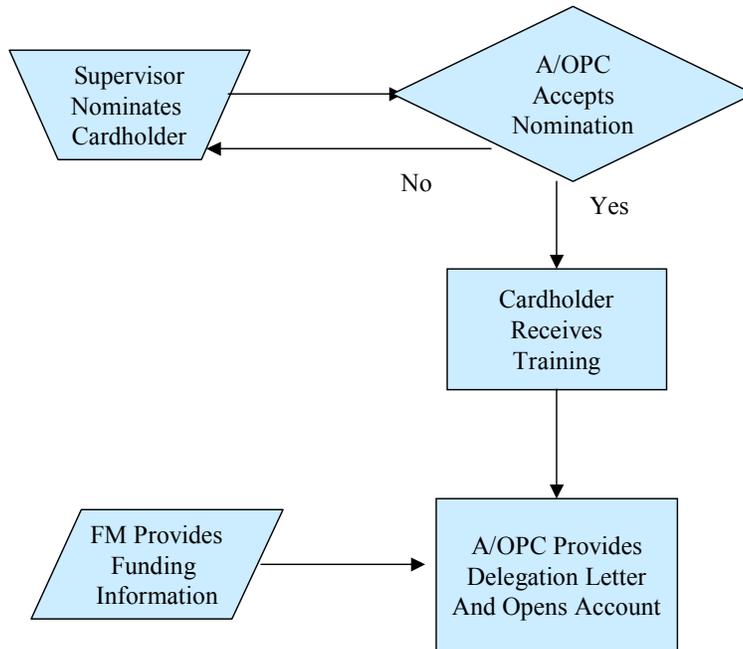

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

e. Cardholder (CH) Account Set-Up

To establish a purchase card account, first an individual must be designated as the responsible account holder. (Exceptions to this are made on a case by case basis for accounts issued as unit cards versus individual cards. However, these exceptions must be approved by the DOD Joint Purchase Card Program Office and coordinated with Citibank.)

Cardholder Account Set-Up

A CH must be nominated, in writing by their supervisor, to the APC. A sample of the nomination letter is included in Appendix E of this Desk Guide.

After accepting the nomination, the APC will schedule training for the CH.

After the CH has completed training, the APC will obtain all necessary information to establish the account including demographics, funding information and the AO responsible for review and oversight. Additionally, an individual responsible for certification and payment of this account is also identified (usually, the AO and the Certifying Official are the same individual).

After all information is complete, the APC provides the CH with a Letter of Delegation and opens a purchase card account with Citibank. This same process is utilized when establishing a convenience check account.

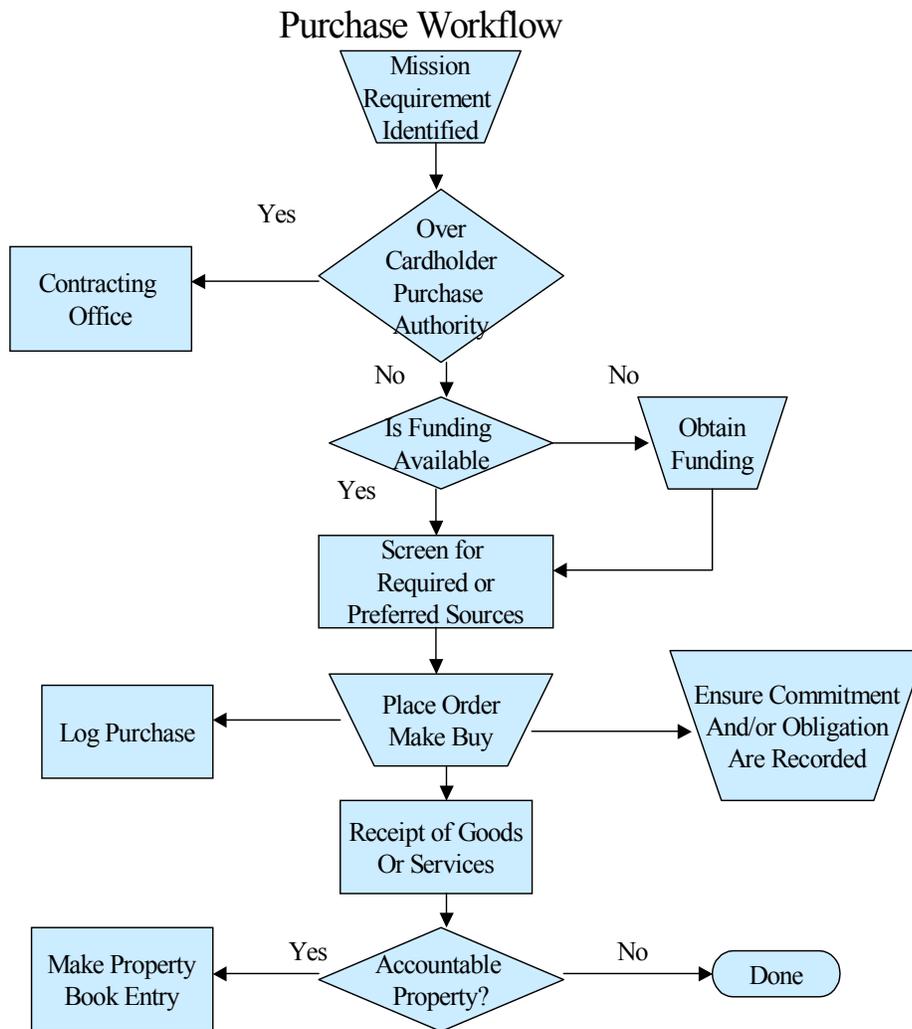

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

f. Purchase Workflow

The following diagram demonstrates the workflow process when a requirement is made to an activity.

After it has been determined that a mission requirement exists and that the purchase card will be used, the following process should be followed:

After a specific need has been identified, the CH must determine if he/she is authorized to make the requested purchase. The determination is made based on the dollar value of the purchase, in total, compared to the authority granted to the CH in the delegation letter. If the total request exceeds the CHs authority, the CH must refer the requirement to the contracting office for processing.

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

If it is determined that the total purchase is within the CHs authority, the item(s) must then be reviewed in accordance with mandatory sources of supply, such as National Industries of the Blind (NIB), as specified in the FAR, DFAR and local governing instructions. Organizations may also designate preferred sources, such as Indefinite Delivery, Indefinite Quantity (IDIQ) type contracts, existing Blanket Purchase Agreements (BPAs), etc that are to be used in purchasing items for that organization. The requested item must not be prohibited by law or regulation or require special approvals. Funding must be available to cover the purchase.

If the item is prohibited or funding is not available, the CH should notify the requestor of the situation. Under no circumstances shall the CH proceed with purchases that are not funded or are unauthorized. If the requestor persists, matters should be reported to the AO, APC and FM.

If special approval is required, it must be obtained before placing an order or making a purchase.

After the CH has placed the order or made the purchase, he/she must make an entry in the purchase log. A list of the data items required to be entered into the log for use in reconciliation of the cardholder statement is included in section 2.8 of the Cardholder Desk Guide.

Once the CH is in receipt of the goods, the CH will make a record of receipt in accordance with local procedures.

The CH must determine if any item purchased is classified as accountable property in accordance with the Accountable Property instructions for the organization. If the item is classified as Accountable Property it must be reported to the Property Book Officer, logged and processed accordingly.

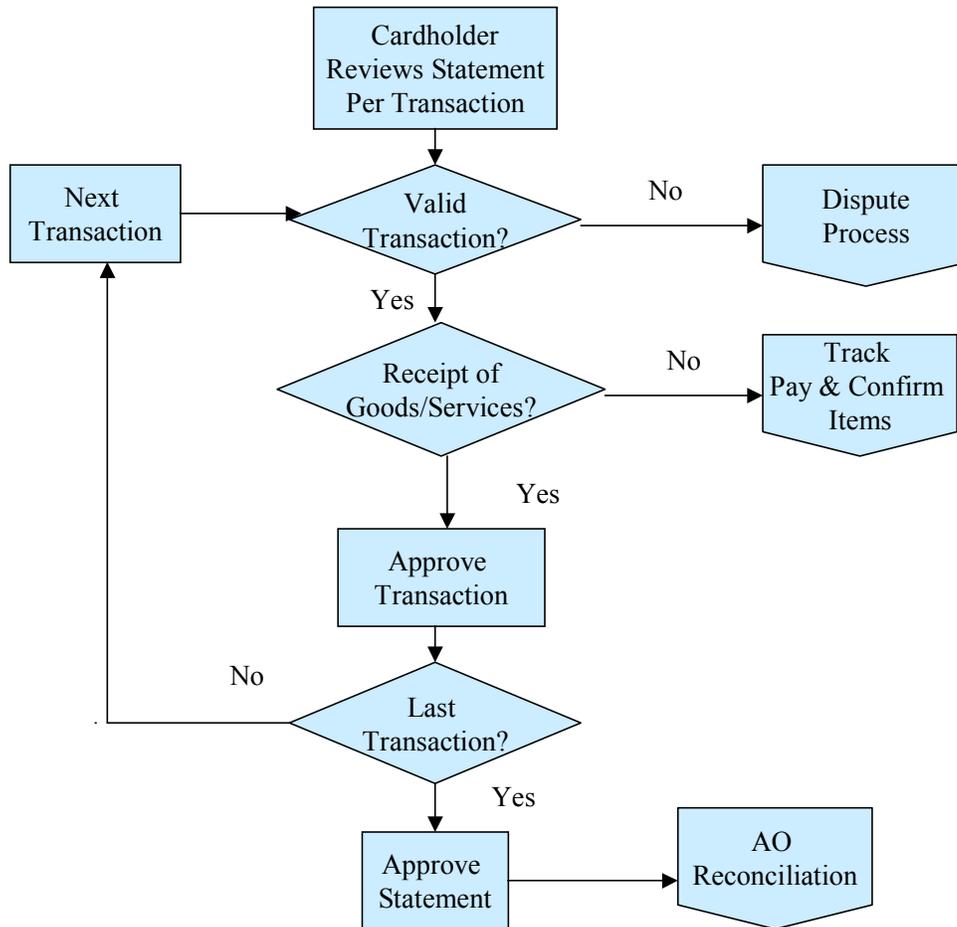

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

g. Cardholder (CH) Account Reconciliation

CHs are responsible for reconciling their purchase card statement for accuracy.

Cardholder Account Reconciliation

The CH must review each transaction and match it to the previously made purchase log entry to determine validity.

If the transaction is invalid, the CH must immediately initiate a dispute with Citibank. The dispute must be filed in accordance with the procedures outlined by Citibank. The details of the dispute process are included in section 2.15 of the Cardholder Desk Guide.

DON Purchase Card Program
Approving Official (AO)
Desk Guide
(WinSALTS)

If the transaction differs, the CH must contact the vendor to resolve the issue. If not resolved within 30 days, the CH must file a dispute. If the transaction is valid it must be approved.

If the transaction is a valid purchase but goods and/or services have not been received, the CH will approve the transaction for payment. Receipt of the goods and/or services should then be closely tracked by the CH to assure receipt by the next billing statement.

After all transactions are reconciled, i.e. approved or disputed, the CH acknowledges transaction validity, as specified in current DOD guidance, with personal signature or electronic acceptance.

After acceptance, the CH must approve the statement. The AO is then responsible for second level review and approval in accordance with the process detailed in section 2.5 of this Desk Guide.

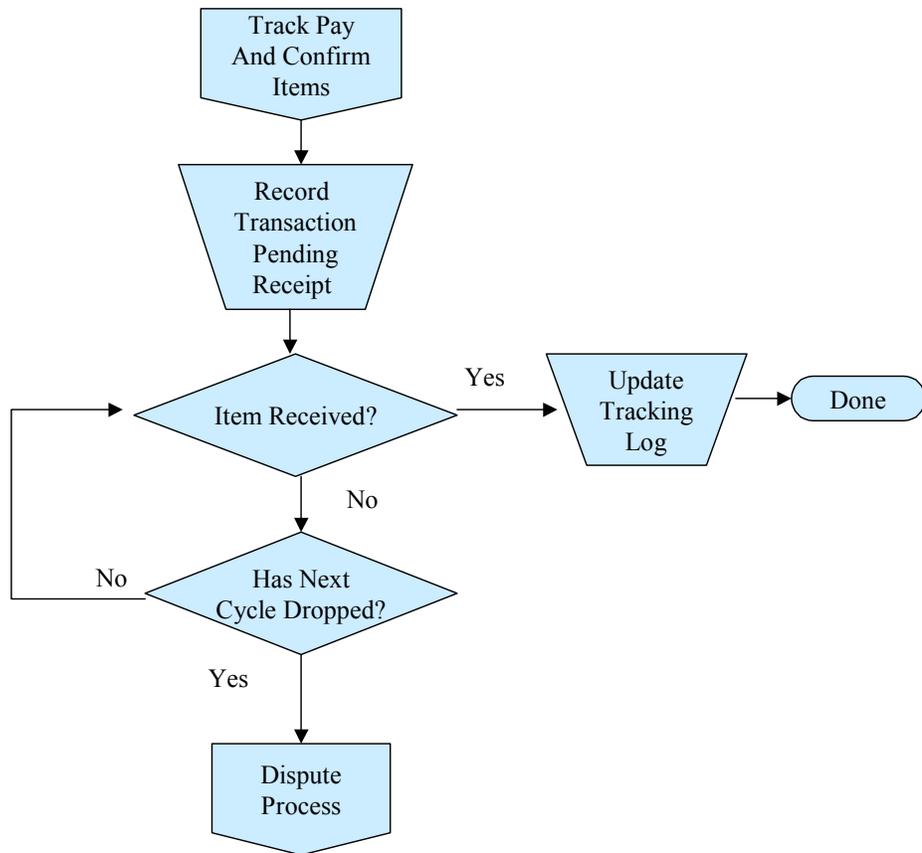

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

h. Pay & Confirm Process

The pay and confirm process allows Citibank to be paid for items that have been shipped by the vendor but not received by the organization. It is the responsibility of the cardholder to monitor receipt of approved purchases of which goods or services have not been received to assure delivery. (A tracking list should be created for this purpose.) In order to determine delivery status, the CH must communicate with the vendor.

Pay and Confirm Process

If the next statement cycle has occurred and the organization is still not in receipt of the goods and/or services, the CH must file a dispute. Detailed instructions for the dispute process are included in section 2.15 of the Cardholder Desk Guide.

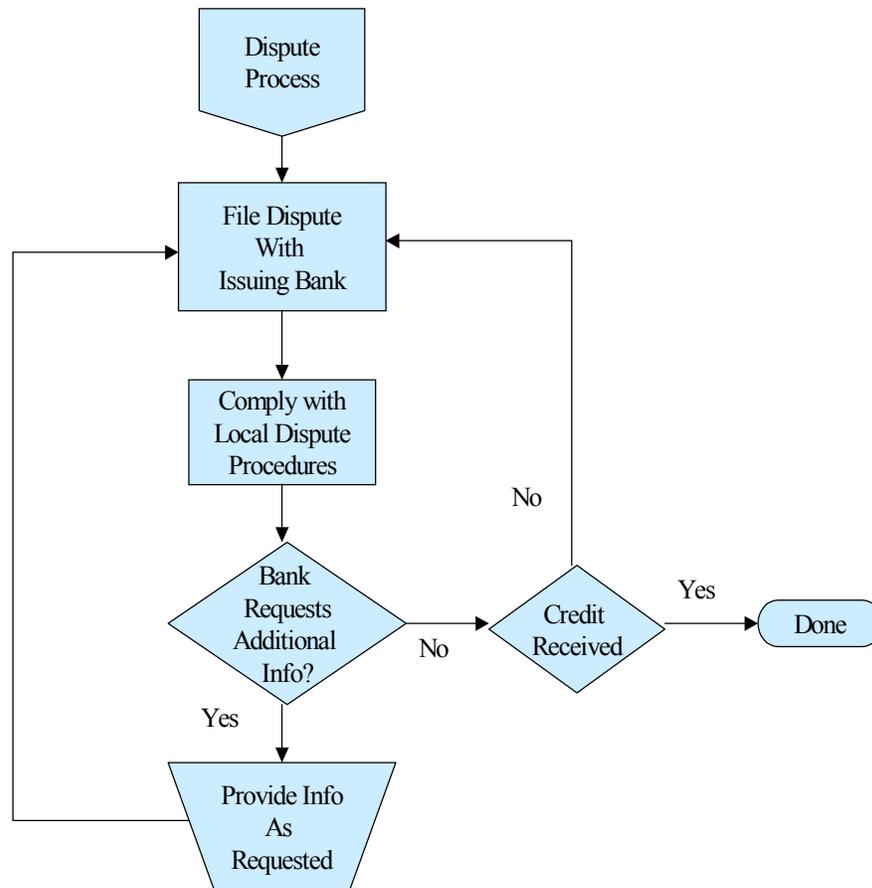

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

i. Dispute Process

All CHs have the right and responsibility to process disputes when they have been unable to resolve any issue with the vendor, such as receiving credit for returned items, excessive charges, invalid charges, etc. (*Note: While the federal government is tax exempt in most cases, sales tax is not a disputable item. If sales tax should not have been charged then the CH must obtain a credit from the vendor.)

Dispute Process

Upon determination that a dispute is required, the CH must initiate a dispute with Citibank in accordance with the bank's procedures.

Should the bank request additional information in order to properly adjudicate the dispute, the CH is obligated to comply with the request. Failure to comply will result in the loss of disputing rights.

DON Purchase Card Program
Approving Official (AO)
Desk Guide
(WinSALTS)

Upon acceptance of the dispute, Citibank will provide a provisional credit to the CH account. If the dispute is resolved in favor of the CH no further action is necessary. If the dispute is found in favor of the merchant, the transaction will be re-billed to the CH. The CH must then approve the transaction for payment through the certifying officer (AO).

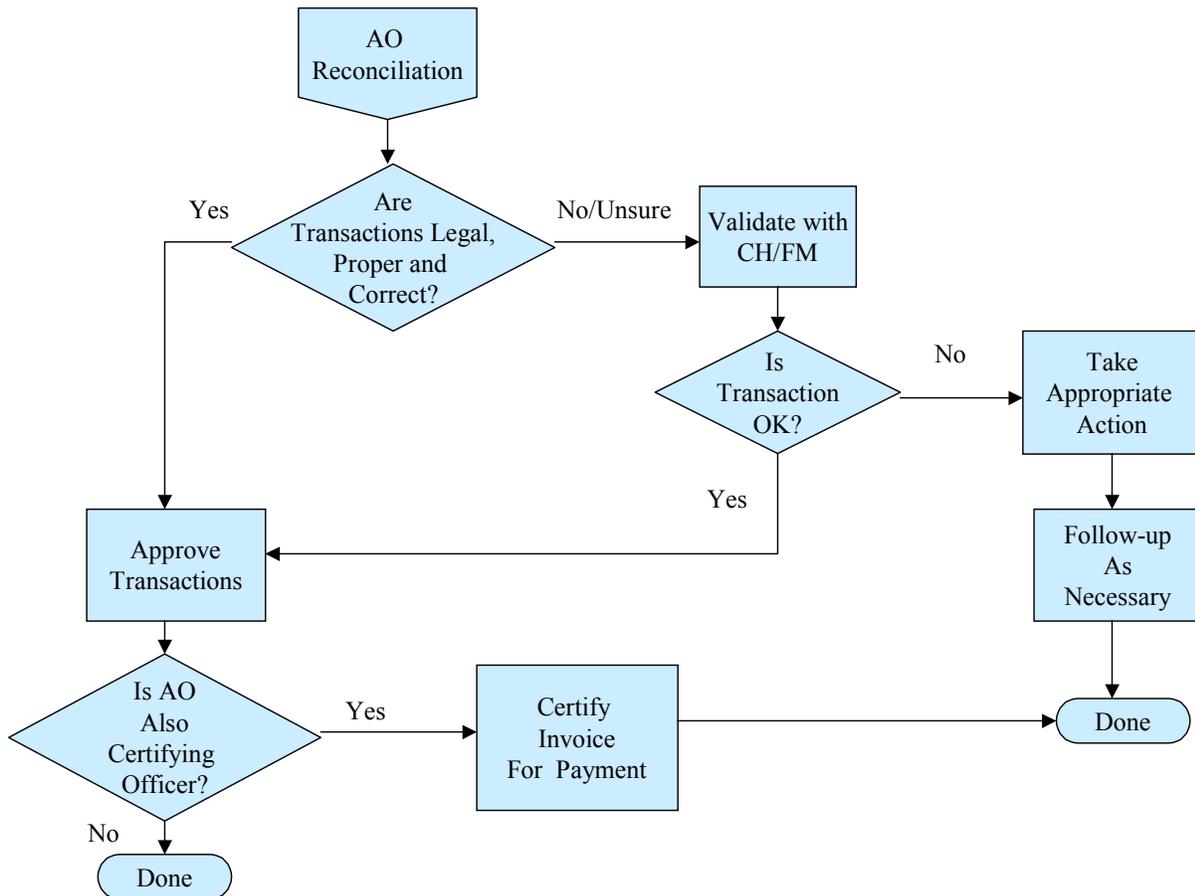

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

j. Approving Official (AO) Account Reconciliation And Certification

The AO is responsible for approving all transactions for his/her assigned CHs. It is, therefore, preferable that the AO be the CHs supervisor and/or co-located. This structure is critical for management controls of the purchase card.

Approving Official Reconciliation and Certifying Officer Certification

The AO must assure all transactions for all assigned CHs are legal, proper and correct in accordance with governing rules and regulations. The EBUSOPSOFFINST 4200.1 includes a list of these rules and regulations.

If the AO finds questionable transactions, the AO must contact the CH to review supporting documentation and/or consult with the FM, as appropriate.

If it is determined the transactions are legal, proper and correct, the AO should approve the statement and/or invoice. If transactions are not legal, proper and

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

correct, a decision must be made as to the liability associated with them. If the transactions are for invalid and/or improper purchases, the AO must resolve this with the CH and/or vendor. Ideally, these items should be returned and a credit (never cash) received. In some cases the CH must file a dispute to receive credit.

If it is determined that the CH was negligent, appropriate administrative or disciplinary action must be taken in accordance with either the DOD disciplinary policies for purchase card misuse and abuse or the organization's governing personnel policies and procedures. In addition, military members are subject to the Uniform Code of Military Justice.

If a transaction was processed in accordance with the controls established by the organization but was found to be inappropriate, Citibank has fulfilled its responsibilities under the contract and the government is obligated to make payment to the bank. The government must seek restitution from the responsible employee(s) for any losses incurred as a result of their improper purchases.

By definition, the CH and the AO are the accountable and responsible officials. Additionally, when the AO appointed as the Certifying Officer, pecuniary liability for an illegal, improper or incorrect payment is automatically assigned.

When an AO is appointed as a Certifying Officer, he/she must certify the Citibank invoice, acknowledging approval of all transactions as legal, proper and correct, and forward the document to the appropriate payment office for payment.

If the Citibank invoice is electronically certified, the payment will process in accordance with EDI External and Internal Processes explained in the next section of this guide. The details of this process vary depending on whether the activity uses CitiDirect or SALTS as its automated system. The EDI discussion that follows describes the CitiDirect EDI process.

It is the responsibility of the AO to assure the CH accounts are kept current. If at any time a delinquency notice is received from the Citibank, the AO must resolve the delinquency. Assistance may be obtained from the APC and/or payment office.

DON Purchase Card Program
Approving Official (AO)
Desk Guide
(WinSALTS)

k. EDI External Process

The Government Purchase Card Electronic Data Interchange (EDI) occurs both internally and externally to the government. EDI is the mechanism used to communicate fund obligations and certify invoices between Citibank and the DON. Citibank's key role in this process is described in the next subsections of this guide.

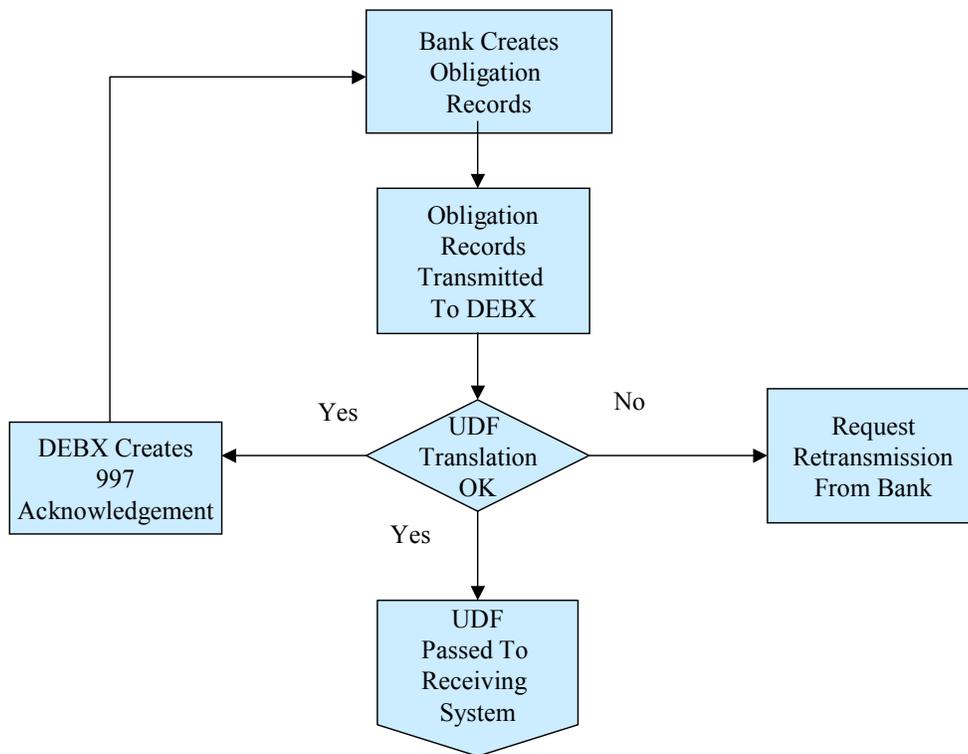

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

I. EDI External Obligation Process

A DON activity needs to obligate funds within the appropriate DON accounting system before the purchase card can be used. Citibank generates obligation records for transmission to DON activity's official accounting records based on business rules established in the EDI Concept of Operations.

EDI External Obligation Process

The bank generates "821" type records based upon the DON Implementation Convention standards for obligations. The timing of the record generation is dependent upon the two possible funding methods- -i.e., Bulk or Transactional.

When a file is created by Citibank, it is transmitted to the government via the Defense Electronic Business Exchange (DEBX) network. This network receives the transaction and translates the EDI record into a format that can be processed by the receiving accounting system. The translation results in a User Defined File (UDF) that is transmitted to and processed by the government accounting system of record (i.e. STARS-FL, STARS-HQ, STANFINS, SOMARDS, DBMS,

DON Purchase Card Program
Approving Official (AO)
Desk Guide
(WinSALTS)

etc.). The translation is performed based on mapping requirements provided by the receiving systems' managers.

During the translation process, the EDI records are validated. If the file cannot be translated due to invalid data or it does not contain all of the required information, processing requirements are not met and the DEBX will request the bank to retransmit the file. If the file processes according to the specifications, the DEBX generates a "997" type acknowledgement and sends it back to Citibank. This "997" type record indicates to the bank that the file has been accepted by the government for processing.

The UDF is then transmitted to the official accounting system for processing. Each receiving system has provided the DEBX with process procedure documentation.

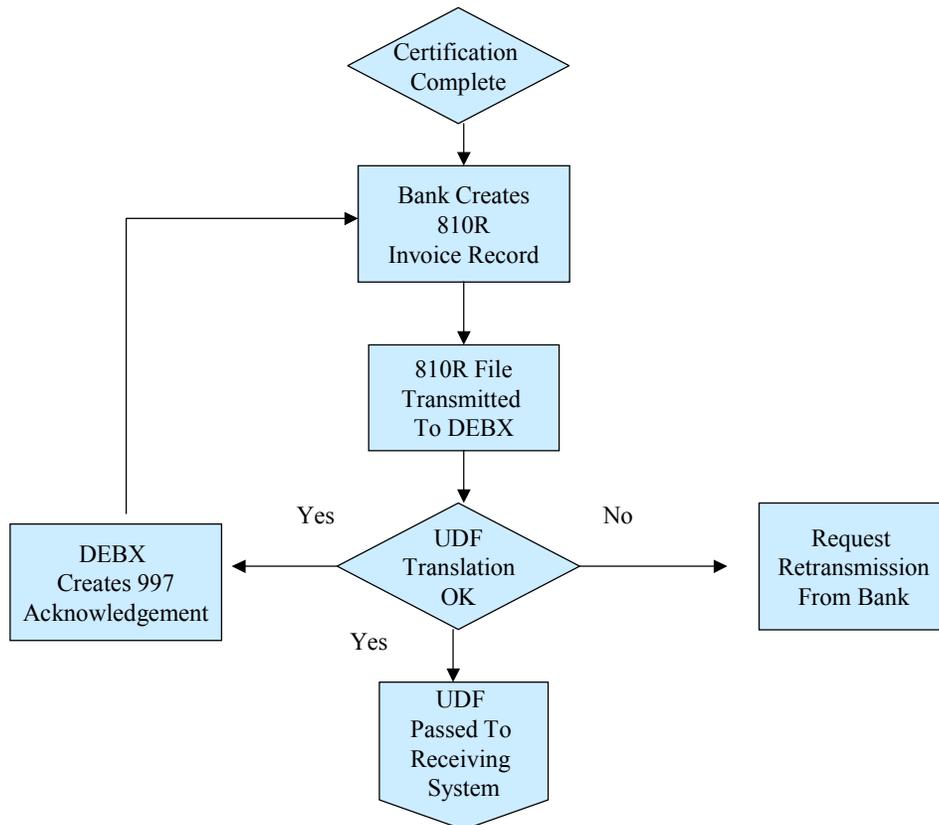

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

m. EDI External Invoice Process

Citibank generates invoice records for transmission to the DON activity's accounting system based on business rules established in the EDI Concept of Operations.

EDI External Invoice Process

Citibank generates "810R" type records based upon the DOD Implementation Convention standards for certified invoices. The timing of the generation is based on the business rules selected by the DON from the EDI Concept of Operations (see appendix). Regardless of the business rule selected, however, the trigger for "810R" invoice generation is certification of the official invoice presented by Citibank.

When the "810R" type file is created by Citibank, it is transmitted to the government via the Defense Electronic Business Exchange (DEBX) network. This network receives the EDI transactions and translates the records into a format that can be processed by the receiving accounting system. This

DON Purchase Card Program
Approving Official (AO)
Desk Guide
(WinSALTS)

translation results in a User Defined File (UDF) that is transmitted to and processed by the government cash disbursements payment system (i.e. STARS-OP, CAPS-W, CAPS-C, IAPS etc.). The translation is performed based on mapping requirements provided by the receiving systems' managers.

During the translation process, the EDI records are validated. If the file cannot be translated due to invalid data or it does not contain all the required information, processing requirements are not met and the DEBX will request the bank to retransmit the file. If the file processes according to the specifications, the DEBX generates a "997" type record acknowledgement and sends it back to Citibank. This "997" indicates to the bank that the file has been accepted by the government for processing.

The UDF is then transmitted to the official accounting system for processing. Each receiving system has provided the DEBX with documentation as to the procedure to process it's file.

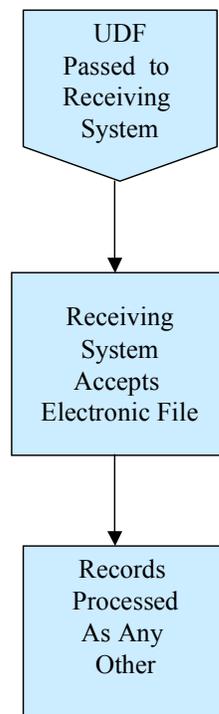

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

n. EDI Internal Process

Whether it's an obligation file or an invoice file, after a file has been transmitted from Citibank to the DEBX and the 997 has been transmitted to the bank, the government has accepted responsibility for the processing of that file. The creation of the User Defined File (UDF) facilitates the processing of the records by the receiving system.

EDI Internal Process

After the UDF is generated, the DEBX transmits the UDF to the receiving system. This is done through an intermediary source or directly to the system for processing.

The receiving system accepts the UDF for processing. The UDF is taken into the receiving system electronically without modification. After the UDF records are taken into the system they are processed as any other accounting and invoice records.

Section II: AO Functions and Responsibilities

1. Ensure cardholder (CH) fulfills responsibilities.

The AO position within the Purchase Card Program carries supervisory responsibilities. The AO is the CHs supervisor regarding all purchase card program issues. Therefore, AOs should be, to the greatest extent possible, the supervisor of the CH or be in the direct line of authority of his/her CHs.

Individuals designated as AOs shall not be assigned as CHs. If personnel considerations require an AO to be a CH, under no circumstances shall any CH be his/her own AO.

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

2. Responsible for reviewing and reconciling CHs Statements.

Reconciliation is the process by which the CH and AO review the monthly purchase card bank statement and reconcile each transaction against available vendor receipts and a purchase card log. The AO then authorizes payment of those charges provided on the monthly billing statement or initiates other appropriate action depending on the circumstances.

The exact procedure used by the AO and CH to coordinate the review and reconciliation process varies by activity. The detailed procedure is documented in the activity's Internal Operating Procedure (IOP).

The CH and the AO use the WinSALTS software to receive, reconcile, approve and transmit the monthly purchase card statement. In order to use WinSALTS for the reconciliation process, the activity's SALTS operator must establish an "NPC Certification" account in the WinSALTS system. This is the only account that has the authority to certify eStatements.

The follow excerpt from the WinSALTS Navy Purchase Card Desk Guide explains this setup procedure. The complete guide is available as a download from <http://www.salts.navy.mil>

APPROVING OFFICIAL WINSALTS/32 SETUP

The local WinSALTS Administrator **must** setup a new User ID and Password for the certifying official, and his or her alternates. **THESE ARE THE ONLY INDIVIDUALS AUTHORIZED TO CERTIFY THE ESTATEMENTS!**

When establishing a new User ID, be sure to enable the box marked NPC CERTIFICATION or the Approving Official will not be able to operate the E-Statement Viewer/Editor. The procedure for the local WinSALTS Administrator to create a new User ID is as follows:

Select System.
Select User Configuration.
Click the Add button.

- In the User ID box, type a User ID (i.e. person's last name, organizational code, etc.).
- In the Name box, type the person's title/rank and full name.
- In the Password box, set the initial password (not more than 8 characters).
- Ensure the Change Password at Next Login checkbox is checked.
- Under the SALTS File Types box, click the checkbox for NPC Certification.
- Under the System Functions box, click all checkboxes except Configure.
- Click the OK button when finished.

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

When done, ensure these individuals are given their User ID and initial Password for gaining access into the WinSALTS/32 Program.

A screenshot of the WinSALTS 'User Information' dialog box. The window title is 'WinSALTS User Information'. It contains several input fields and checkboxes. The 'User ID' field is filled with 'MARZIALE', and the 'Name' field is filled with 'MARK MARZIALE'. The 'Password' field is filled with '*****'. There is a checked checkbox for 'Change password at next login'. Below these fields, there are two sections: 'SALTS File Type' and 'System Functions'. The 'SALTS File Type' section has a list of items with checkboxes, where 'NPC Certification' is checked. The 'System Functions' section has a list of items with checkboxes, where 'Incoming', 'Send / Receive', 'Selective Download Config', 'Auto Load Setup', and 'Receive Files Via E-Mail' are checked. There are 'OK' and 'Cancel' buttons on the right side of the dialog.

Note: The NPC CERTIFICATION checkbox should be disabled for all other User IDs to help prevent unauthorized use of the Navy Purchase Card Certification option.

This procedure creates the WinSALTS account for the Approving Official to use in the certification process. Citibank forwards the monthly statements to the Fleet activities via SALTS. The AO and the activity's SALT administrator must establish a process to ensure the AO is notified immediately upon the arrival of the monthly statement.

Immediately upon receipt, the AO shall review and approve the monthly card account statements, as well as review and certify for payment the monthly billing statement. This statement is a summary invoice of all transactions for the card accounts established under the AOs account.

AOs are responsible for the following purchase program elements and must include these reviews in their monthly process:

- a. Ensure all purchases made by the CH within purview are appropriate and that the charges are accurate

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

- b. Verify, on a sample basis, that supporting transaction documentation exists on various card accounts prior to certifying the monthly invoice - EBUSOPSOFFINST 4200.1 and Appendix B of this Desk Guide include guidance for establishing sample sizes for these reviews.
- c. Notify the Commanding Officer and APC if any suspected unauthorized purchase is detected - this would be purchases that indicate fraud, non-compliance, misuse and/or abuse.
- d. Ensure proper receipt, acceptance and inspection is accomplished for all items being certified for payment.
- e. Certify the monthly invoice in a manner that maximizes purchase card rebates and minimizes prompt payment penalties. AOs and CHs are reminded that prompt payment penalties begin accruing on the 31st day after receipt of the official invoice. **AOs are pecuniarily liable for payments they certify.**

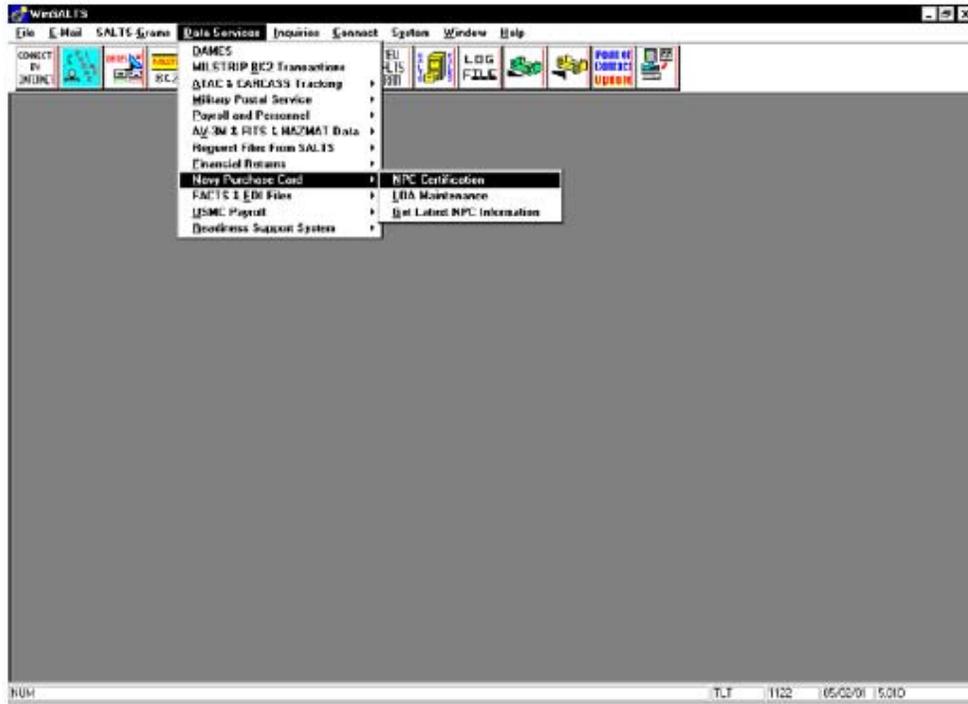

The following excerpts from the WinSALTS NPC Desk Guide show the process used to download the monthly statement from SALTS, perform the electronic certification and transmit the certified statement back to the bank.

NAVY PURCHASE CARD FILE CERTIFICATION

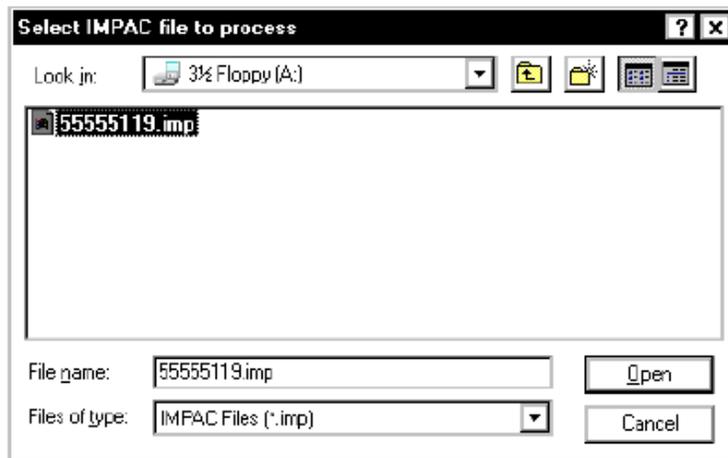

To begin certification, the certifying official **must** first log onto WinSALTS/32 with his/her own User ID and Password. After logon, the NPC Certification file (.IMP) must be opened using the Navy Purchase Card option.

Start WinSALTS/32.
Select Data Services.
Select Navy Purchase Card.
Select NPC Certification.

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

Select the appropriate Drive and Folder.
Click on the file name of the .IMP file.
Click the OK button.

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

E-Statement Viewer

The E-Statement Viewer screen appears. All authorized CHs should appear in the Card Holders box. The information in the grayed-out boxes cannot be changed. The AO **must** verify the contents of each detailed record for accuracy. The AO **must** view all detailed records for each CH. Use the Prev Record and Next Record buttons to page through the detailed records.

Note: If the Next Record button is selected, but the information doesn't change, the last record for that cardholder has been reached.

Below this is a grid of input fields with the following labels: GA, BFYEFY, APPN, SBHD, CLS, BCN, SA AAA, TT, PAA, CDST CODE, and MCC. A list box below the grid displays two entries: '1720012001180117N000006701000670101DR2122581290903SR SR' and '1720012001180460000000006000609512DR2122583250495SR SR'. To the right of the list box are buttons for 'Done', 'Add', 'Modify', 'Delete', 'Import', and 'Cancel'. A note at the bottom of the dialog reads: '** Highlight an LOA entry and then press the Import button to select **'

Note: This LOA will now be visible in the detailed record section.

Note: If your desired LOA is not found in the Line of Accounting List, you can add it by manually editing the LOA field on the detailed record, or by using the procedure found in the Line Of Accounting Maintenance section of the WinSalts Navy Purchase Card Guide (See Appendix M).

If you choose to manually edit the LOA field on the detailed record, when you click the Next Record button, you will be asked if you want the LOA saved to the LOA List (if this edited LOA is not currently in the LOA List).

Click the Add button to save the LOA to the LOA List.
Click the Send As Is button keep the LOA in the detailed record, but not add it to the LOA List.
Click the Cancel button to return to the detailed record.

The 'Line Of Accounting Table Check' dialog box displays the message: 'This LOA is not present in the table of valid LOAs.' Below the message are three buttons: 'Add', 'Send As Is', and 'Cancel'.

Select the appropriate radio button next to the type of SDN your command uses (14-digit vs. 15-digit).

Fill-in the SDN in accordance with your command/TYCOM procedures.

Note: The SDN number will automatically duplicate for subsequent purchases for the selected CH.

Note: The 14-digit SDN has three parts - 6 characters in the first part, 4 characters in the second part, and 4 characters in the third part. The 15-digit SDN has four parts - 6 characters in the first part, 2 characters in the second part, 2 characters in the third part, and 5 characters in the fourth part. If more characters are inserted in these fields, an error message will be displayed.

Restage Purchase Card .imp File Within WinSALTS/32

There may be situations when it is necessary to download another copy of your WinSALTS Purchase Card statement. For example, the original statement .imp file could have been inadvertently deleted. This SALTS process is called “restaging” and is explained below.

Commands should first do the restage request through WINSALTS, NOT by contacting SALTS Central on the phone or via e-mail, or through your TYCOM. To request the restage through WINSALTS, first you need to get the incoming IMPAC file name.

- Log on to WINSALTS and on the menu bar click on SYSTEM. Then click on LOG FILE.

Since the entries are listed in chronological order you will have to scroll down to around the 25th of the month to locate your IMP file (the IMP file is normally staged three (3) WORKING days after the 21st of each month). An example of the log entry is below:

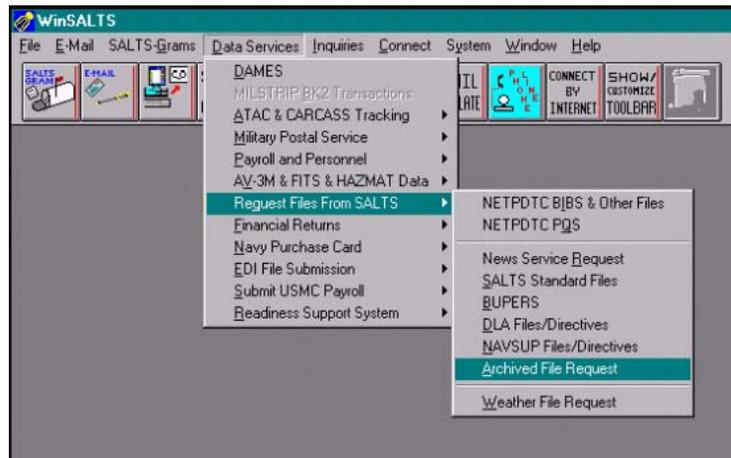

```
03/26/2002 12:19 09070032.IMP    1256 03/26/2002
03/26/2002 12:19 ** Above file(s) Unzipped from Packet:  JAF_0001.IMP
```

The filename JAF_0001.IMP (your SALTS code will be in place of JAF) is the filename you will need for the restage.

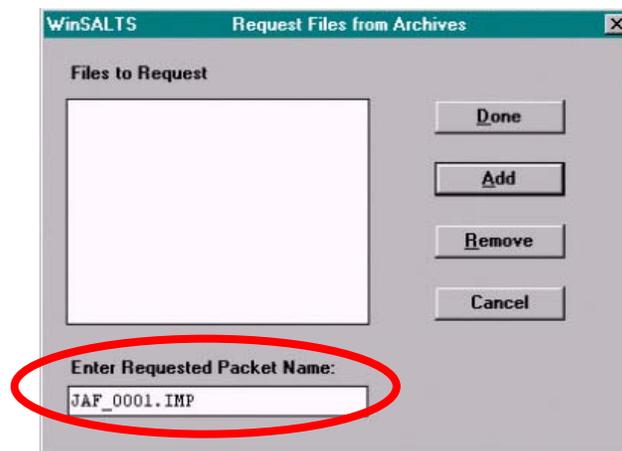

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

Now click on DATA SERVICES on the menu bar, then REQUEST FILES FROM SALTS, then ARCHIVED FILE REQUEST.

- Enter your file name that you found in the log file in the "Enter Requested Packet Name" block, and click the ADD button. Then Click DONE and connect to SALTS.

Your file will be restaged, normally within 2-3 minutes. Connect to SALTS again to pull the file down and follow normal WINSALTS certification procedures.

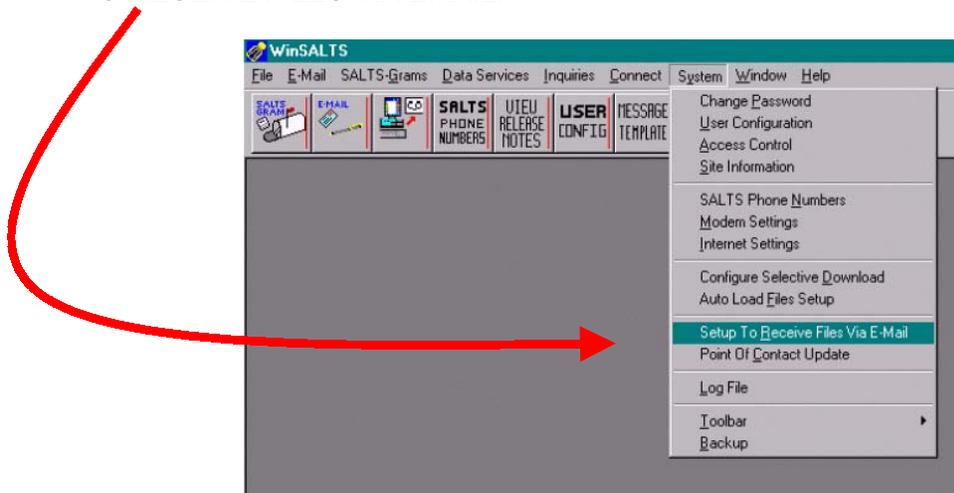

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

Receive Purchase Card .imp File Via Email

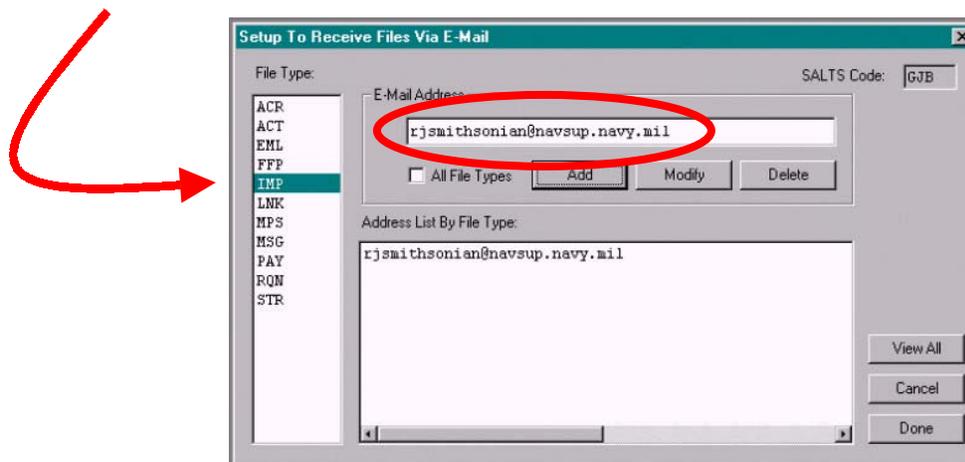

When SALTS connectivity is down but access to email is operational, commands may request their Purchase Card IMP file be forwarded via email.

- Log on to WINSALTS and on the menu bar click on SYSTEM. Then click on SETUP TO RECEIVE FILES VIA EMAIL.

A pop-up box will appear on the screen.

- On the left side select IMP for the file type to receive via email. In the email address block enter a valid email address for SALTS to send the IMP file to. Then click on ADD and then DONE.

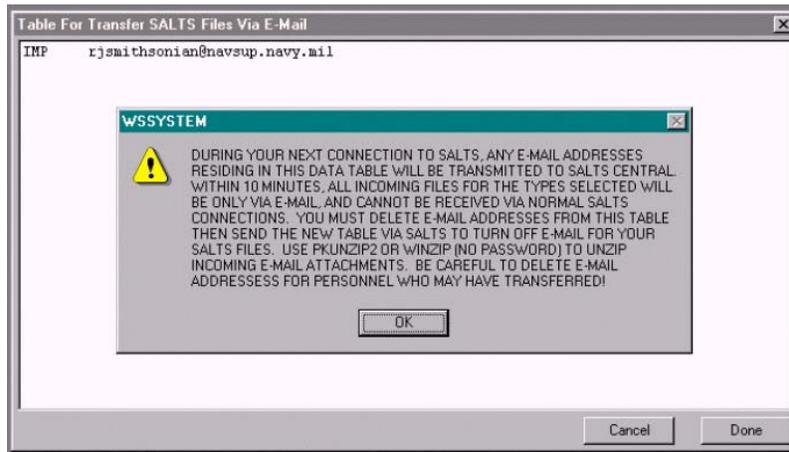

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

Another pop-up box will appear titled, "TABLE FOR TRANSFER SALTS FILES VIA EMAIL" which will list the email addresses and the file types you wish SALTS to send files to.

At this point when you click on DONE you will be reminded that during your next connection to SALTS, any email addresses residing in the table will be transmitted to SALTS CENTRAL. Within 10 minutes, all incoming files for the types selected will be forwarded via email and cannot be received during your normal SALTS connection.

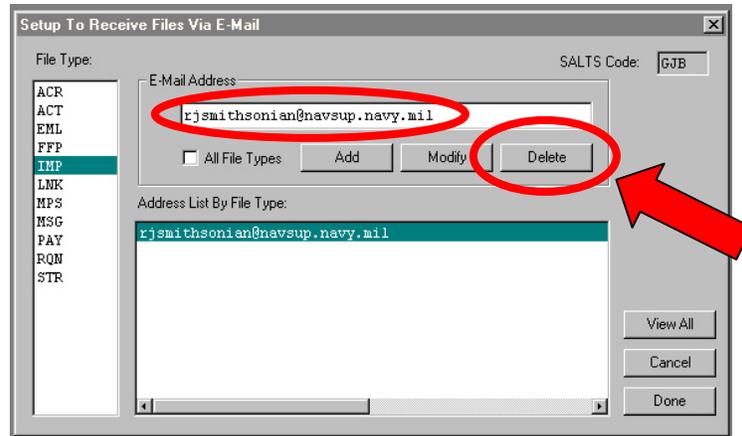

You must delete the email addresses from this table to turn off email for your SALTS files.

- To delete the email addresses, click on SYSTEM and then SETUP TO RECEIVE FILES VIA EMAIL as you did before.

A pop-up box will appear on the screen.

- Click on any email addresses to highlight the ones you want to delete. Then click on DELETE and DONE.

The file types associated with that now deleted email address will be received during normal SALTS connections.

Manually Certify Purchase Card Statement

There are several reasons for units to manually certify their Purchase Card Statement, such as, loss of SALTS connectivity, supplemental payments to clear delinquencies, etc. This contingency is restricted to urgent situations only and should only be used with TYCOM approval. Naval Messages can be forwarded via normal naval message channels or faxed to the appropriate DFAS Operating Location.

To manual certify using a naval message format follow the steps as described below:

Track Purchase Card Invoice Submissions

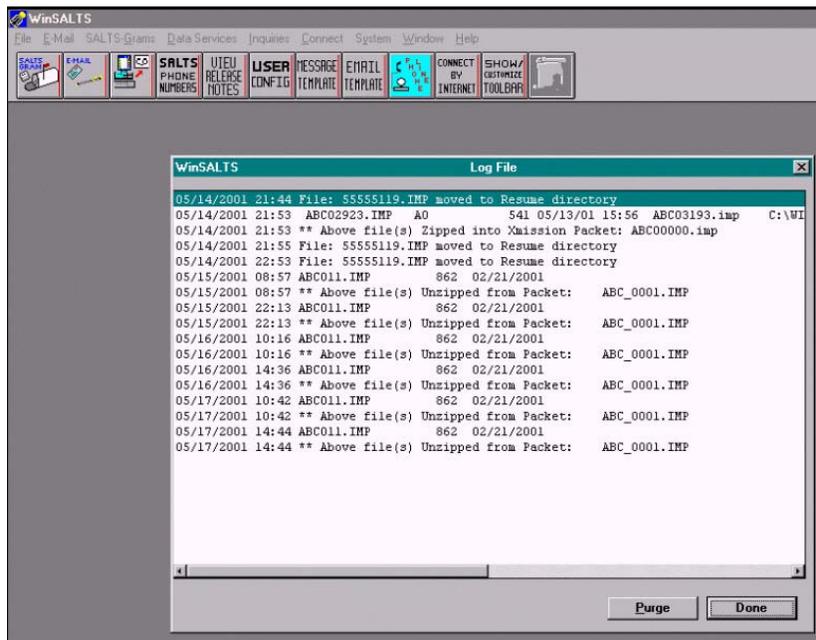

To ensure timely payment of Purchase Card Invoices and to prevent the occurrence of delinquent accounts, it is critical for each Approving Official to track their manual or electronic invoices from certification to payment.

NOTE: An Invoice Tracking Sheet is maintained at the DON eBusiness Office to track all SALTS invoices through the certification and payment process. Data is received through several sources to create the Tracking Sheet and is updated on a daily basis. To track your invoices follow the steps below:

ENSURE TRANSMISSION/RECEIPT TO SALTS

After each invoice is certified and sent back to SALTS Central, a log entry is made in SALTS to indicate that the file was transmitted.

- While in SALTS click on SYSTEM on the menu bar. Then click on LOG FILE. This will provide a list, in chronological order, of all transmissions within SALTS.

The SALTS log entry to indicate transmission of the Purchase Card file should look similar to the one shown below.

```

02/06/2002 17:34 Package: ILY00004.imp was uploaded to SALTS.

ENSURE TRANSMISSION/RECEIPT TO CITIBANK

Each day SALTS forwards all of the IMP files received each day to the Citibank Data Center. Within 24 hours a log entry will be received stating that Citibank has received the certified file. The SALTS log entry to indicate receipt of the certified file by Citibank should look similar to the one shown below.

02/07/2002 09:29 IMP File: ily02762.imp is uploaded to CITIBANK

ENSURE PAYMENT OF INVOICE

Within 24 hours Citibank forwards an invoice to DFAS for payment. The following day the invoice will appear in STARS (DFAS payment system). Each TYCOM Purchase Card Coordinator and the eBusiness Office Purchase Card Fleet Liaison have access to STARS. Contacting these individuals can determine if the invoice is in a pay status or has suspended for further action.

Additionally, an Excel Spreadsheet is forwarded once a week to all SALTS codes with the status of their most recent invoice submissions. Invoices that have suspended at DFAS are listed as a "PROBLEM" and further research is required. Finally, if the payment has posted to Citibank records within 30 days from the invoice date, the payment will show up on the next hard copy statement as a payment transaction.

3. Verify all transactions were necessary government purchases in accordance with Federal Acquisition Regulations (FAR) and all other government agency policy and procedures

Each CH and AO is expected to know their duties and that they will be held accountable for their actions. Department of Navy (DON) employees, both civilian and military, have a duty to ensure that purchase card purchases are necessary, proper and reasonable. The AO is responsible for verifying that all purchase card transactions made by CHs under his/her purview were necessary government purchases in accordance with the FAR and other government agency policy and procedures.

This responsibility requires that the AO be familiar with the FAR and other relevant policies and procedures in order to verify CH compliance in making purchases.

The following is a list of the primary regulations, which govern the DON Purchase Card Program:

- a. FAR, Part 13
- b. Defense Federal Acquisition Regulations (DFAR) Supplement, Part 213
- c. Federal Management Regulation (FMR), Volume 5, Chapter 33
- d. Navy Acquisition Procedures Supplement 5213
- e. General Services Administration (GSA) Smart Pay Contract GS-23F-98006
- f. EBUSOPSOFFINST 4200.1

Two important aspects of purchase card transactions for the AO to examine during transaction verification are:

- a. Transaction Type. The CHs account and delegations of authority shall identify the types of transactions the CH is authorized to execute (i.e., over-the-counter, telephone orders or via the internet).
- b. Merchant Category Code (MCC) Blocks. A DON-wide purchase card transaction block is currently in place and is automatically applied to the CH account profile at time of set-up. APCs can further limit CH transactions by type of merchant by blocking certain categories of vendors for use by a particular CH or by all activity CHs.

DON Purchase Card Program
Approving Official (AO)

4. Recommend purchase card dollar limits to the Agency Program Coordinator (APC) for CHs under purview

The AO fulfills a supervisory role for the CHs under his/her purview. One of these supervisory functions is to recommend reasonable and necessary spending limits for their CHs. There are several spending limits associated with a card and they should all be established for each CH account through a conscious thought process and **not** by default.

The following guidance from the EBUSOPSOFFINST 4200.1 addresses the establishment of CH limits:

- a. Single Purchase Limit. Each CHs purchase card account and delegation of authority document shall include a single purchase limit. The single purchase limit is the most basic limit for the use of the purchase card as a method of payment. A limit for all other uses as prescribed by the EBUSOPSOFFINST 4200.1, such as training and DAPS is limited to the command's authorized contracting authority.
- b. Billing Cycle Purchase Limit (30-Day limit). Each CHs account and delegation of authority shall include a billing cycle purchase limit. The billing cycle limit may be assigned in increments of \$100 up to \$9,999,900.

Within the limitations described below, the HA may delegate the single purchase limit. Normally this will be \$2,500 for CHs limited to using the card as a procurement method. This is the common **micropurchase** limit.

The single purchase limit when using the card with government sources of supply or as a method of payment for properly issued simplified acquisitions is \$100,000. For commercial items, this limit maximum is \$5 million including options when using the procedures of FAR 13.5. This includes purchase orders and Blanket Purchase Agreement (BPA) calls. The limit maximum increases to \$9,999,900 for orders issued against GSA schedule contracts.

The purchase card may be used as a method of payment for properly issued delivery orders issued against indefinite delivery type contracts up to \$9,999,900.

These limits are maximums. Each CH account shall be established with set limits based on actual forecasted need and government requirements. The AO is responsible for evaluating the need of each CH under his/her purview and recommending reasonable purchase limits.

Chapter 4 of EBUSOPSOFFINST 4200.1 includes policies, procedures and specific threshold guidance for using the purchase card as a method of payment.

5. Sign monthly billing account statement confirming accuracy

Immediately upon receipt, the AO shall review and approve the monthly card account statements. In addition, the AO shall review and certify for payment the monthly billing statement, which is a summary invoice of all transactions of all card accounts established under the AOs account. The AO must verify that all purchases were necessary and for official government purposes in accordance with applicable directives.

Unless otherwise specified, the AO must also be the Certifying Officer for the CH(s). In that capacity, the AO must certify the monthly billing statement and forward it to the appropriate office for payment. The AO or certifying officer is responsible for:

- a. the accuracy of information stated in a voucher, supporting documents and records;
- b. computation of a certified voucher under sections 3528 and 3325 of title 31, United States Code;
- c. legality of proposed payment under the appropriation or fund involved;
- d. providing advice to accountable officials;
- e. seeking advance fiscal decisions from legal counsel; and
- f. repaying a payment that is determined
 - 1) illegal, improper, or incorrect because of an inaccurate or misleading certificate;
 - 2) to be prohibited by law;
 - 3) does not represent a legal obligation under the appropriation or fund involved.

The following section from the WinSALTS Navy Purchase Card Desk Guide illustrates the monthly statement certification process. It is available at <http://www.salts.navy.mil> under the "downloads" section.

After the AO reviews all transactions for all cardholders in the monthly statement, it's time to certify the statement. After the last record from the Detailed Record section is viewed, click the Account Summary button.

6. Retain a copy of monthly invoice

Financial records such as monthly invoices and statements must be retained for 6 years and 3 months. AOs, APCs, and CHs must maintain purchase-related records, such as purchase card logs and requisitions, for a minimum of 3 years.

All purchase card transaction documentation begins with the acquisition. The CHs **SHALL** request copies of itemized sales receipts, or other sales documents supporting the purchase card transaction. This may include a charge slip, cash register receipt, packing list, etc. The CH **SHALL** retain any documentation received from the vendor to support proof of the sale, and, this will later be used to verify the transactions shown on the CH statement.

If for some reason, the CH does not have documentation for the transaction, an explanation is required and must be attached to the statement during the reconciliation process.

As shown above in the WinSALTS certification process, the last option presented to the Approving Official is to print a copy of the Summary report. This is strongly recommended.

7. Maintain all original supporting documentation (receipts, logs, approvals) for accounts when the CH or check writer has transferred, been reassigned or retired and the account is closed

The AO is responsible for the maintenance of all CH transaction documentation when a CH leaves the role and its associated duties. This may be due to a number of reasons, including transfer, reassignment, retirement or illness. The CHs records must be filed per the statutory requirements.

Financial records such as monthly invoices and statements must be retained for 6 years and 3 months. AOs, APCs, and CHs must maintain purchase-related records, such as purchase card logs and requisitions, for a minimum of 3 years.

8. Notify APC of requirement to close any CH accounts for individuals that have transferred, terminated or retired or upon AO no longer serving in that capacity

When a CH no longer needs a card account or when the CH is transferred, terminated or retired, the APC must cancel the account. It is the AOs responsibility to notify the APC when any of these situations occur.

In addition to CH notifications, the AO must also notify the APC if no longer serving in the capacity of an AO.

Prior to APC notification of CH separation, the AO **must** verify that all transactions and payments have cleared. The notification and cancellation process is very important to minimize the risk of misuse, abuse or fraudulent use of old purchase card accounts.

9. Notify APC of any lost or stolen cards (in addition to CH notifying bank)

The APC has the responsibility and authority to suspend or cancel purchase cards that have been compromised. Cards considered lost or stolen must be dealt with immediately.

The AO is responsible for notifying the APC of cards lost or stolen. The CH will most likely be the first to realize that a card is missing and should immediately call the Citibank Help Desk.

Should you require assistance with cards and/or statements, contact the Citibank Help Desk toll-free at, 1.800.790.7206; for assistance with CitiDirect, contact the Citibank Help Desk toll free, 1.800.790.7206, option 2 or outside of North America, collect at 904.954.7850.

10. Resolve any questionable purchases with the CH

The AO is responsible for ensuring that all purchases made by subordinate CHs were appropriate and that the charges are accurate. The AO **must resolve all** questionable purchases with the CH. In the event an unauthorized purchase is detected, the AO must notify the APC and other appropriate personnel within the command in accordance with the activity's IOP.

After resolution, the AO will sign the CHs monthly statement of account and maintain the documentation in accordance with agency procedures. In addition, the AO is responsible for certifying the card accounts' monthly invoices.

11. Take appropriate action in coordination with Human Resources (HR), Inspector General (IG), Legal, APC or Head of Activity (HA) upon discovery of any improprieties

AOs and Certifying Officials are synonymous in the DON Purchase Card Program and are simply referred to as Approving Officials. They are responsible for ensuring that all purchases made by CHs within their purview are appropriate, bona fide and that the charges accurate.

AOs should verify, on a sample basis, supporting transaction documentation for various card accounts prior to certifying the monthly invoice. The following table provides guidance on establishing appropriate sample sizes for AO monthly reviews.

# of PC Transactions	Sample Size

16-25	3

* APCs should use aggregate monthly total of all purchase card transactions, find range of PC Transactions in column #1 and then chose corresponding sample size to review in column #2.

**AO should use either the monthly total of each purchase card account or combined totals of all purchase card accounts, find range of PC Transactions in column #1, and then choose the corresponding sample size to review in column #2.

This sampling technique provides a 90% confidence level that the sample is representative of the whole.

The AO must notify the Commanding Officer and APC of any improprieties including suspected unauthorized purchases that would indicate non-compliance, fraud, misuse and/or abuse of the purchase card program.

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

Appendix A: Definitions

Accountable Official: DOD military members and civilian personnel, who are designated in writing and are not otherwise accountable under applicable law, who provided source information, data or service (such as a receiving official, a cardholder, and an automated information system administrator) to a certifying or disbursing officer in support of the payment process. They have pecuniary liability for erroneous payments resulting from their negligent actions.

Accountable Property: A term used to identify property recorded in a formal property management or accounting system. Accountable Property includes all property purchased, leased (capital leases), or otherwise obtained, having a unit acquisition cost of \$5,000 or more (land, regardless of cost), and items that are sensitive, or classified. Additional and/or separate records or other record keeping instruments shall be established for management purposes, or when otherwise required by law, policy, regulation, or Agency direction, including, but not limited to pilferable items (Items that have a ready resale value or application to personal possession and which are, therefore, especially subject to theft).

Agency Program Coordinator (APC): An individual designated by the ordering agency/organization to perform task order contract administration within the limits of delegated authority and to manage the card program for the agency/organization. This individual shall have overall responsibility for the card program(s) within their agency/organization, and may determine who participates in the card program(s). Multiple levels of program coordinators exist within different hierarchies or at different hierarchical levels within the program for each agency/organization.

Approving Official (AO): The individual responsible for reviewing and verifying the monthly purchase card statements of the card accounts under his/her purview. The AO must verify that all purchases were necessary and for official government purposes in accordance with applicable directives. Unless otherwise specified, the AO must also be the Certifying Officer for his/her cardholder(s) and in that capacity must certify the monthly billing statement and forward it to the appropriate office for payment. The certifying officer is responsible for: a) the accuracy of information stated in a voucher, supporting documents and records; b) computation of a certified voucher under sections 3528 and 3325 of title 31, United States Code; c) legality of proposed payment under the appropriation or fund involved; d) providing advice to accountable officials; e) seeking advance fiscal decisions from legal counsel; and f) repaying a payment that is determined 1) illegal, improper, or incorrect because of an inaccurate or misleading certificate; 2) to be prohibited by law; 3) does not represent a legal obligation under the appropriation or fund involved.

Billing Cycle: The billing cycle consists of approximately a 30-day billing period. Each monthly bill will be comprised of transactions (debits and credits) that post to the banks' system during this period. For DON the billing cycle begins on the 22nd of the month and ends on the 21st of the subsequent month. Cycle ends only occur on a business day

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

(i.e. Monday through Friday) and as a result may adjust accordingly. The cycle end date will occur on the last business day of the normal cycle.

Billing Cycle Office (Credit) Limit: An authorization control assigned to each approving official, as determined by the ordering DON activity, which limits the cumulative spending amount of all card accounts assigned to that Approving Official during a given billing cycle. Any office limit may be assigned in increments of \$100 up to \$9,999,900. The office limit primarily is used for budgetary control purposes and may be adjusted up or down at any time. It encompasses all outstanding charges within a billing period.

Billing Cycle Purchase Limit: An authorization control that limits an account's cumulative spending for purchases in a given billing cycle. This limit or the billing office limit shall be used to ensure cardholders do not exceed reserved funding (positive funds control). Any purchase limit may be assigned in increments of \$100 up to \$9,999,900. This limit may be adjusted as ordering DON activities deem appropriate and shall be established for each cardholder account. It should reflect normal usage by that cardholder and must not default to the maximum available limit.

Bulk Funding: An advance reservation of funds where a commitment or obligation is recorded in the aggregate rather than by individual transactions.

Cardholder (CH): An individual designated by an agency to be issued a card. The card bears the individual's name and can be used by that individual to pay for official purchases in compliance with agency internal procedures. Also applies to convenience check account holders.

Cardholder Statement: The statement of charges provided to a cardholder detailing all of the transactions posted to their account during a billing cycle.

Commercial Items (Supplies): Any item, other than real property, that is of a type customarily used for nongovernmental purposes and that:

- a. Has been sold, leased or licensed to the general public; or
- b. Has been offered for sale, lease or license to the general public. (A full definition can be found at FAR 2.101)

Contracting Officer: Government employees who have the authority to bind the Government to the extent of their delegated purchasing authority. Purchase cardholders are provided that authority by their commanding officer or APC in writing by the issuance of a Letter of Delegation or SF 1402 Contracting Officer's Warrant.

Convenience Checks: Third party drafts issued using government purchase card account. Third party drafts may be used to acquire and to pay for supplies or services. Policies and regulations concerning the establishment of and accounting third party drafts, including the responsibilities of designated cashiers and alternates, are contained in Part IV of the Treasury Financial Manual for Guidance of Departments and Agencies,

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

Title 7 of the General Accounting Office Policy and Procedures Manual for Guidance of Federal Agencies, and the agency implementing regulations. FAR 13.305 applies and the Department of Defense guidance is contained in the DOD Financial Management Regulation, Volume 5, Chapter 2, paragraph 0210.

Delegation of Contracting Authority: A document, issued by authorized agency personnel, that establishes the individual as an authorized cardholder. This delegation of contracting authority shall specify spending and usage limitations unique to the cardholder. Each activity, in its internal procedures, must designate who shall be responsible for issuance of these delegations. This delegation must come down from the Head of the Contracting Activity.

Disputes: Instances where transactions on the cardholder's statement do not agree with entries in the log or retained receipts that are presented to the bank for resolution. This may include circumstances where the cardholder did not make the transaction, the amount of the transaction is incorrect or the quality or service is an issue.

Government Purchase Card: The purchase card is the charge card account established with the issuing bank that enables properly authorized government personnel to buy and pay for supplies and services in support of official government business.

Hazardous Materials (HAZMAT): Hazardous materials or products that are customarily sold to the general public to be used for non-governmental purposes (commercial products) which are in the same size and packaging found commercially and subject to procedures found later in this instruction. Examples of those materials or products include those required on a routine basis to meet daily operational needs, such as, lubricants, batteries, toner cartridges, detergents, etc.

Head of Activity (HA): For the purposes of this instruction, the HA is the military officer in command or the civilian executive in charge of the mission of a DON command or activity which has been granted contracting authority by the cognizant HCA. The HA has overall responsibility for managing the delegation and use of this authority by personnel under his/her command.

Head of Contracting Authority (HCA): The official at one of the 23 DON components listed at DFARS 202.101 and NAPS 5202.101 (e.g. COMNAVSUPSYSCOM, COMNAVAIRSYSCOM, etc.) who has overall responsibility for managing contracting authority within his/her contracting chain of command. They are responsible for the delegation, re-delegation and use of contracting authority including use of the purchase card by DON commands, DON activities and DON personnel under his/her contracting cognizance.

Invoice: The monthly invoice is the official billing invoice for payment purposes, which is provided to the Certifying Officer by the issuing bank. The invoice identifies all of the purchase card transactions of his/her cardholders during a billing cycle. The invoice can be paper based or presented through the Electronic Access System of the issuing bank.

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

Letters of Agreement (LOAs): A streamlined procedure for procuring commercial supplies between \$2,500 and \$25,000, based on using oral solicitations, placing oral orders and paying for the oral orders using the purchase card. LOAs shall not be established for the procurement of services.

Merchant Category Code (MCC): A code used by the issuing bank to categorize each merchant according to the type of business the merchant is engaged in and the kinds of goods and services provided. These codes are used as an authorized transaction type code on a card/account to identify those types of businesses who provide goods and/or services that are authorized for use by the cardholder.

Micro-Purchase: An acquisition of supplies or services, the aggregate amount of which does not exceed \$2,500, (except construction which is limited to \$2,000). FAR Part 2.101.

Pecuniary Liability: Personal financial liability for fiscal irregularities of disbursing and certifying officers and accountable officials as an incentive to guard against errors and theft by others, and also to protect the government against errors and dishonesty by the officers themselves.

Pilferable Property: Portable items that could easily be converted to personal use and are (1) critical to fulfilling the activity's mission/business objective and (2) hard to repair or replace.

Purchase Card Log: A manual or automated log in which the cardholder documents individual transactions and screening for mandatory sources using the purchase card and/or convenience checks. Entries in the purchase log may be supported by internal agency documentation (i.e. request for procurement document, email request, etc.). The purchase card documentation should provide an audit trail supporting the decision to use the card and any required special approvals that were obtained. At a minimum, the log will contain the date the item or service was ordered, the merchant name, the dollar amount of the transaction, a description of the item or service ordered and an indication on whether or not the item was received.

Reconciliation: The process by which the cardholder and AO review the monthly statements, reconcile against available vendor receipts and purchase card log and authorize payment of those charges provided on the monthly billing/cardholder statements.

Reviewing Official: An individual, appointed by the head of the activity (or their designees), which is responsible for pre and post payment reviews of payments certified by the certifying officer. The reviewing official shall not concurrently serve as an accountable, certifying or disbursing official.

Services: For the purposes of this instruction, services are firm-fixed priced (including unpriced orders with an established ceiling), non-personal, commercially available requirements in which the Government directly engages the time and effort of a

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

contractor to perform a task (e.g. repairs, maintenance, annual maintenance agreements, etc.).

Simplified Acquisition Threshold: The upper level at which an acquisition may use simplified acquisition rules, currently \$100,000, except that in the case of any contract to be awarded and performed, or purchase to be made, outside the United States in support of a contingency operation (as defined in 10 U.S.C.101 (a)(13)) or a humanitarian or peacekeeping operation (as defined in 10 U.S.C.2302 (8) and 41 U.S.C. 259(d)), the term means \$200,000. FAR 2.101.

Single Purchase Limit: A dollar limit on each purchase assigned to each cardholder for a single transaction.

Split Purchase: The "requirement" is the quantity known at the time of the buy. If an individual purchases as [s] he becomes aware of a requirement, the requirement is each. If the requirements are consolidated and purchases are made once a day, the requirement becomes what was received during the day.

If an individual has historically purchased as things became known to them, even if they have the same thing ordered twice in one day from the same vendor, that does not have to be splitting. Splitting is the "intentional" breaking down of a known requirement to stay within a threshold (i.e. the \$2,500 micro-purchase threshold) or to avoid having to send the requirement to the contracting officer.

Tax Exempt: The elimination of state and local taxes from federal purchases in accordance with state and federal law. The phrase "U.S. Government Tax Exempt" is printed on the front of each purchase card.

Transaction Type: The transaction type is the method by which an order is placed when using the purchase card. Purchase card buys may be made over-the-counter, over-the-phone or via the Internet.

Appendix C: Exceptions To Use Of The Purchase Card (DFARS 213.270)

1. The following requirements are exempt from the mandatory use of the purchase card for micro-purchases for procurements or payments.
 - a. The place of performance is entirely outside any of the State, territory or possession of the United States, the District of Columbia, and the Commonwealth of Puerto Rico.
 - b. The purchase is a Standard Form (SF) 44 purchase for aviation fuel and oil.
 - c. The purchase is an overseas transaction by a contracting officer in support of a contingency operation as defined in 10 U.S.C. 101(a)(13) or humanitarian or peacekeeping operation as defined in 10 U.S.C. 2302(8)
 - d. The purchase is for training exercises in preparation for overseas contingency, humanitarian or peacekeeping operations.
 - e. The payment is made with an convenience check
 - f. The payment is for a transportation bill
 - g. The purchase is under a Federal Supply Schedule contract that does not permit the use of the purchase card
 - h. The purchase is for medical services and:
 - 1) It involves a controlled substance or narcotic
 - 2) It requires the submission of a Health Care Summary Record
 - 3) The ultimate price of the medical care is subject to an independent determination that changes the price based on application of a mandatory CHAMPUS Maximum Allowable Charge determination that reduces the Government liability below the billed charges.
 - 4) The Government already has entered into a contract to pay for the services without the use of the purchase card.
 - 5) The purchases is a beneficiary seeking medical care; or
 - 6) The senior local commander or director of a hospital or laboratory determines that use of the purchase card is not appropriate or cost-effective.

The Medical Prime Vendor Program and the DOD Medical Catalog Program are two examples where the use of the purchase card may not be cost-effective.

2. The purchase card shall only be used for authorized U.S. Government purchases. Intentional use of the purchase card for other than official government business will be considered an attempt to commit fraud against the US Government and may result in immediate cancellation of an individuals purchase card and further disciplinary action. The cardholder will be held personally liable to the Government for the amount of any non-government transactions. Under 18 U.S.C. 287, misuse of the purchase card could result in a fine of not more than \$10,000 or imprisonment for not more than five years or both. Military members that misuse the purchase card may be subject to court martial under 10 U.S.C. 932, UCMJ Article 132.
3. Questions concerning your delegation of authority or purchase card account should be directed to the Command Agency Program Coordinator, Mr/Mrs/Ms John/Jane Smith, who can be reached at 888.555.1212.

**LIST OF PROHIBITED AND SPECIAL ATTENTION ITEMS RELATED TO
PURCHASE CARD BUYS**

This information applies to Department of the Navy Agency Program coordinators, approving officials and purchase cardholders with established purchase card programs. For a full explanation, and/or background information on prohibitions referenced in this enclosure, refer to the NAVSUPINST 4200.85 (series), enclosure (1). Not all of the prohibitions found in this enclosure require special approvals. Some may be procured using traditional purchase methods (e.g. purchase orders, BPA calls, etc) and paid for using the purchase card. Detailed procedures for using the purchase card as a method of payment may be found in Chapter 4 of this instruction.

Advance Payments

General rule: Except for requirements such as subscriptions for publications (i.e. Navy Times, Federal Contracts Reporter, Commercial Clearing House Inc, etc.) and post office box rentals advance payments are prohibited.

Advertising

General rule: Unless specific approvals have been obtained advertising contract actions are not authorized in accordance with the Navy Acquisition Procedures Supplement (NAPS).

Exception: The Chief of Naval Personnel has authorized an increase from \$1,000 to \$2,500 for the specific media advertising purchase limit for Commanding Officers of Navy Recruiting Districts to commensurate with the current micro-purchase threshold. This authority cannot be redelegated and each advertisement is conditioned upon the use of a properly executed DD Form 1535.

Asbestos and Asbestos-Containing Materials

General rule: Purchase cardholders are not authorized to purchase asbestos or asbestos-containing materials.

Black Oxide Coated Brass Threaded Fasteners

General rule: Purchase cardholders are not authorized to procure brass or copper alloy fasteners coated with black oxide.

For information regarding this prohibition contact
Mr. Scott Stanko, Naval Inventory Control Point, Code 0541, at 717.605.1361, DSN
430.1361 or via Internet: scott_a_stanko@icpmec.navy.mil.

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

Buildings and/or Land, Long-Term Rental or Lease of

General rule: Purchase cardholders are prohibited from entering into long-term rentals or leases for buildings and/or land.

Business Cards

General rule: Flag Officers, member of the SES and general officers may authorize the printing of business cards limited to using existing software and agency-purchased stock for those positions that require business cards in the performance of official duties.

Cash Advances/Cash Refunds

General rule: Purchase cardholders are prohibited from using their purchase cards to obtain cash advances or cash refunds.

Christmas and Other Seasonal Decorations

General rule: Seasonal decorations may be acquired using the purchase card provided local customs and traditions are observed. Purchase cardholders are not authorized to buy Christmas cards.

Coffee Pots, Coffee, Refreshments

General rule: Unless the purchase of coffee pots, coffee, or refreshments is for an authorized mess, as discussed in NAVSUP Publication 486 Vol-1, Ch1 to Rev 3, and BUPERINST 1710.13 the purchase of these items are prohibited. Purchase cardholders are also prohibited from buying refreshments for other government employees.

Exceptions: The use of Official Representation Funds for official entertainment and Center of Influence events involving Navy recruiters are exceptions to this rule. In addition, Navy recruiters are authorized to use the purchase card to buy meals for recruiting applicants as an out of pocket expense.

Agencies sponsoring a conference are allowed to provide light refreshments during morning, afternoon or evening breaks for conference attendees when a majority of the attendees are in a travel status. Travel within an employee's local commuting area does NOT satisfy the requirement to be in a 'travel status'. Light refreshments may be approved by the command sponsoring the conference if they decide it is appropriate use of their funds. The Government Purchase Card can be used to pay for the refreshments. Use of the card and funding for this purpose is subject to local Command approval. Card officials should inquire as to acceptability within their own command prior to using the card for this purpose.

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

Commercial Vehicles, Purchase of

General rule: Purchase cardholders shall not use their cards to purchase commercial vehicles.

Commercial or GSA Vehicles, RENTAL/LEASE of (Without Drivers)

General rule: Purchase cardholders are not authorized to use their purchase cards to rent/lease commercial or GSA vehicles.

Employee Identification Tags

General rule: Unless the requiring activity/command determines that use of the identification tags are necessary and in support of mission requirements, activities may not use appropriated funds to purchase employee identification tags.

Federal Information Processing Resources/Year 2000 (Y2K) Project

General rule: Purchase cardholders should ensure all procurements of IT are Y2K compliant.

Fireworks Display

General rule: Purchase cardholders may not use appropriated funds to buy fireworks for on ground displays.

Fuel, Oil, Services, Maintenance and Repairs

General rule: Purchase cardholders are not authorized to purchase fuel, oil, services, maintenance and repairs of Interagency Fleet Management System and GSA Fleet Management Programs (i.e. repair of GSA leased vehicles).

HAZMAT and Hazardous Waste Disposal

General rule: Except for commonly used hazardous material, the purchase of HAZMAT by cardholders is prohibited. (See Chapter 5.5 of the EBUSOPSOFFINST 4200.1)

Incentive Music and Equipment

General rule: Except for specifically programmed music, the purchase of music and equipment for broadcasting (inc. radios, automatic record players or phonographic records) for entertainment purposes is generally not authorized.

Exception: Specifically programmed music may be purchased based on a written determination by the commanding officer describing how the acquisition would improve morale, benefit the command, etc., and thereby qualify as a necessary expense under the necessary expense rules. This prohibition also does not preclude the expenditure of appropriated funds for the purchase of a public address system required for intra-station communication.

Lodging and Meals

General rule: Purchase cardholders are prohibited from using their purchase cards for the payment of lodging and meals for employees on temporary duty.

Exception: Certain reserve activities are authorized to buy meals for Naval reservists during drill activities.

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

Luggage

General rule: The purchase of luggage for employees/service members to carry personal belongings while on travel orders is generally not authorized.

Exception: Sea bags issued to service members and briefcases, etc., furnished for the express purpose of carrying official documents associated with the duties of the service member or employee.

Medical and Dental Care From Civilian Non-Federal Sources

General rule: Purchase cardholders shall not use their cards for payment of medical and dental services.

Membership Dues

General rule: Except for membership dues, which solely benefit the agency or activity the purchase of club, association, organization and other related memberships, are prohibited.

Exception: The use of appropriated funds for membership dues of an activity or agency is permissible if the membership contributes to the fulfillment of the mission of the activity or agency.

Ozone Depleting Substances (ODS)

General rule: Purchase cardholders are not authorized to purchase ODS materials.

Exception: Contracting officers may use their purchase card as a method of payment provided guidance in the NAPS is strictly adhered to.

Personal Services

General rule: Unless you have statutory authority, purchase cardholders should not contract for personal services using the purchase card.

Pesticides

General rule: Unless prior approvals are obtained from cognizant Pest Management Consultant at the appropriate NAVFAC division, purchase cardholders are not authorized to contract for purchase of pesticides.

Plaques, Ashtrays, Paperweights and other Mementos As Give-Away Items

General rule: The use of appropriated funds to buy give-away items such as plaques, cuff links, hats, T-shirts, license plate covers, bracelets, ashtrays, Christmas cards, paper-weights, cigarette lighters, novelty trash cans, key chains and similar items are generally prohibited.

Exception: The purchase of give-away items in support of employee recognition programs may be authorized if accomplished in accordance with agency policy.

Printing and Duplication

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

General rule: Purchase cardholders are prohibited from buying printing or duplication services from agencies other than DAPS.

Purchase from Government Employees or Businesses Owned or Controlled By Government Employees

General rule: Purchases from government employees (military or civilian) or from business organizations substantially owned or controlled by government employees are generally prohibited.

Reprographic Equipment

General rule: The purchase/lease/rental/trial/replacement or change in rental or lease plan of reprographic equipment is not authorized unless the requestor has complied with the requirements of the Navy Reprographic Equipment Program. The requestor must obtain written approval from the cognizant DAPS for all shore copying equipment with speeds of 71 or more copies per minute. (Examples of reprographic equipment are; copiers and high-speed copiers, Diazo process equipment, laser printers, and duplicating equipment).

Sensitive Compartmented Information In Contracts

General rule: Purchase cardholders are not authorized to enter into negotiations that will include requirements for contractor access to Sensitive Compartmented Information unless the customer has staffed the requirement through Commander, Office of Naval Intelligence, Code ONI-532.

Shipboard Habitability Equipment, Including Furniture, Laundry/Dry Cleaning and Food Service Equipment

General rule: Except for furniture, laundry, dry cleaning, and food service equipment listed in the following catalogs purchase cardholders are prohibited from purchasing of these items.

Furniture equipment – S9600-AD-GTP-010, U.S. Navy Shipboard Furniture Catalog with applicable changes.

Laundry/dry cleaning equipment – S6152-B1-CAT-010, Navy Laundry and Dry Cleaning Catalog with applicable changes.

Food service equipment – S6161-Q5-CAT-010, The Shipboard Food Service Equipment Catalog with applicable changes.

Transportation, Purchase of

General rule: The purchase card cannot be used to pay for transportation charges.

Travel, or Travel Related Expenses

General rule: The purchase card cannot be used to pay for travel or travel related expenses (i.e. expenses associated with official travel including transportation, lodging, or meals).

Uniform Items

DON Purchase Card Program
Approving Official (AO)
Desk Guide
(WinSALTS)

General rule: Cardholders are not authorized to use appropriated funds to purchase uniform items.

Visual Information (VI) Equipment

General rule: VI production equipment may not be provided to, acquired for, or used by, non-VI activities or personnel (See Definitions). Requests for VI equipment that exceed the dollar thresholds listed below, must be forwarded to the appropriate Major Claimant Visual Information Management Office (MCVIMO) for approval. The MCVIMO must certify that acquisitions are in accordance with activity authorizations prescribed by OPNAVINST 3104.1 and 3104.2. Requests for VI equipment that support VI functions that are not authorized for the activity can not be approved at MCVIMO or local levels and must be held pending N09C1 approval of the new function.

Non-VI activities or personnel may acquire non-production VI equipment, unless otherwise specified by local VI instructions or when restricted by local credit card dollar call limitations, non-professional consumer type VI equipment such as 35mm film based photographic camera systems costing less than \$1,000; overhead, slide, filmstrip, and motion picture projection equipment costing less than \$5,000; audio and video recorder players costing less than \$5,000; video cameras and camera-recorders costing less than \$5,000; digital photographic cameras costing less than \$5,000; digital photographic printers costing less than \$10,000; and, video, LCD, LED, and CRT projectors costing less than \$10,000.

For VI equipment policy and MCVIMO information, contact: CNO (N09C1) VI Equipment and Activities Policy Officer at 202.433.3790; DSN 288.

Exceptions: The following types of equipment are exempt.

1. VI equipment:
 - a. Acquired and distributed by the Navy Exchange;
 - b. Embedded in non-VI systems, which cannot be separated or operated to perform a VI function outside the system;
 - c. Purchased with non-appropriated or morale welfare recreational funds including entertainment systems;
 - d. Used solely to support research, development, test and evaluation (RDT&E) programmed mission requirements;
 - e. Procured by the Naval Media Center in support of Armed Forces Radio and Television activities and "Navy and Marine Corps News This Week;"
 - f. Used by administrative and security offices only for identification (ID) purposes;
 - g. Dedicated to Pilot Landing Training (PLAT) System, secure flight crew briefing systems and meteorological information systems;

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

- h. Acquired under the Ship Building and Conversion, Navy (SCN) program; or,
 - i. VI equipment acquired for Video Teleconferencing (VTC) activities managed per OPNAVINST 2015.1
2. Timing and synchronization apparatus related to instrumentation recording.
 3. Radiographic equipment (industrial, medical and dental (x-rays)).
 4. Office-related support equipment including: word processing equipment; transcribing and intercom equipment; telephone answering devices; xerographic equipment; and microform production and using (viewing and printing) equipment.

Definitions:

VI Equipment

- a. Production. Items used for the recording, producing, reproducing, processing, broadcasting, editing, distribution, exhibiting, and storing of VI. Includes professional still, motion picture and video cameras; editing equipment, telecine equipment, audiotape and cassette duplicators; computer generated graphics systems; film and paper processing equipment photographic printers.
- b. Non-production. Items used to maintain, repair, store, retrieve, exhibit or otherwise provide for the use of VI products. Includes videotape/disc players and television monitors; interactive video equipment; and, slide, film strip, motion picture, overhead, opaque and video projectors.

VI Activity. An organizational element or a function within an organization in which one or more individuals are classified as VI, or whose principal responsibility is to provide VI services. Navy VI activities are further identified by a Defense Visual Information Activity Numbers (DVIAN).

Shipboard Digital Photo Lab (DPL)

General rule: Per OPNAVINST 3104.1, the Program Executive Officer, Tactical Aircraft Program(PEOT(PMA-241)) in conjunction with Chief of Naval Operations (CNO (N09C1)), provides centralized VI equipment acquisition management for centrally procured aircraft carrier (CV/CVN) DPL equipment and systems. Local Acquisition of equipment for, or reconfiguration of, shipboard DPL is prohibited without CNO (N09C1) and PEOT (PMA-241) approval.

For questions regarding this policy, contact: CNO (N09C1) VI Equipment and Activities Policy Officer at 202.433.3790; DSN 288.

Visual Information-Audiovisual (VI-AV) production including interactive video acquisition

General rule: Per OPNAVINST 3104.1 and its implementing instructions, the Naval Media Center (NMC) is the single contracting activity within the DON authorized to

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

procure VI-AV productions. All requests for contracting for VI-AV productions, except as excluded below, must be forwarded to the Chief of Naval Operations (N09C1) via the appropriate Major Claimant Visual Information Management Office (MCVIMO) for approval and or assignment.

For questions regarding this policy, contact: CNO (N09C1) VI/AV Production Policy Officer at 202.433.3714; DSN 288.

Exceptions: The following are exempt from the DoD VI production reporting requirements (Visual Information Production Request and Report, DD 1995 and the search of the Defense Automated Visual Information System (DAVIS) products.

- a. Mixed media packages with a predominance of text;
- b. Television spot announcements, public service announcements, news clips, and information programs funded by Armed Forces Radio and Television Service (AFRTS);
- c. The Navy Broadcasting Department of the Naval Media Center;
- d. Activities engaged in or supporting research, development, test and evaluation;
- e. The Navy Exchange;
- f. Productions acquired from commercial sources by or for;
 - (1) DoD dependent schools.
 - (2) Morale, welfare, and recreation (MWR) activities.
 - (3) Education centers.
 - (4) Non-VI libraries controlled by SECNAVINST 5401.2 (NOTAL).
- g. Productions funded and reported as an integral part of a recruiting advertising contract; or,
- h. Interactive courseware acquired under OPNAVINST 1500.73.

Commercial Off-The-Shelf Visual Information-Audiovisual (VI-AV) production acquisition

General rule: Commercial off-the-shelf VI productions that support local, major claimant or Navy-wide requirements do not require a completed DD 1995 and may be purchased without MCVIMO or CNO (N09C1) validation. However, a DAVIS search is required to ensure that completed Navy or other DoD VI productions that may satisfy the

DON Purchase Card Program
Approving Official (AO)
Desk Guide
(WinSALTS)

requirements do not already exist. The DAVIS can be accessed via the Internet at <http://dodimagery.afis.osd.mil>.

Definitions (OPNAVINST 3104.1):

Commercial VI Production. A completed VI production that is purchased off-the-shelf, i.e., from the stocks of a vendor.

VI Production. The process of combining or arranging any separate audio or visual product(s) in continuity in a self-contained, complete presentation that is developed according to a plan or script for conveying information to, or communicating with, an audience. A VI product is also the end item of the production process. The special kind of VI production that combines motion media with sound is further defined as "AV production." Used collectively, VI production refers to the functions of procurement, production, or adoption from all sources; i.e., in-house or contract production, off-the-shelf purchase, or adoption from another Federal agency.

Withdrawal of Tax-free Ethyl and Specifically Denatured Alcohol

General rule: The purchase of tax-free ethyl and specifically denatured alcohol is not authorized unless a permit from the Bureau of Alcohol, Tobacco and Firearms has been issued.

Appendix J: Business Case Analysis (BCA) Requirements

1. Department of Navy (DON) activities using Electronic Commerce/Electronic Data Interchange (EC/EDI) systems that result in a more cost-effective payment process than the purchase card are required to develop and submit a BCA for each system. The BCA shall compare the benefits and costs of the current system versus the use of the purchase card as a payment method. The following elements must be addressed.
 - a. Description. A description of the current process and how the process could work using the purchase card;
 - b. Evaluation and Analysis. An evaluation and analysis of current versus potential processes, including:
 - 1) Assumptions
 - 2) Methodology
 - 3) Results

The analysis should look at not only the direct costs of the process but also indirect costs/savings as it relates to the Defense Finance Accounting Service (DFAS), contracting and other departments, etc. Non-monetary costs/benefits such as security concerns, data capture, etc. should be included in the analysis.
 - c. Conclusion and Recommendation. The conclusion and recommendation must include an executive level summary.
2. BCA Submittal/Approval Process. DON activities using an EC/EDI system that result in a more cost-effective process must forward their BCA to the following address:

DON eBusiness Operations Office, Code 00e
P.O. Box 2050
5450 Carlisle Pike
Mechanicsburg, PA 17055-0891

NAVSUP reviews and will forward with an endorsement via the Director of DFAS to the Deputy Secretary of Defense.
3. Waiver Requirements. DON activities must request a waiver for any operational requirement that precludes full implementation of the purchase card. Submittals must include a point of contact, telephone number, description of operational requirement(s) and a complete assessment of the inability to use the purchase card. **ALL** waiver requests must be forwarded to the address above.

Appendix K: Transportation Considerations

1. General.

- a. When purchasing material from commercial vendors using the Purchase Card, cardholders must ensure that external labeling requirements are clearly conveyed to the vendor. In some instances, cardholders may request that material be shipped to either CONUS or OCONUS locations. Additionally, items that are purchased from non-local vendors or via the Internet may require shipping to the cardholder or other ultimate destination. In order to ensure that items and material purchased using the purchase card are properly routed through the Defense Transportation System or through the local receiving activity, the external shipping information must be sufficiently detailed and in accordance with standard DoD shipping guidelines.
- b. This section provides the purchase cardholder with:
 - 1) Shipping services available from GSA using the purchase card
 - 2) general labeling guidance
 - 3) other standard shipping references for more detailed information.
- c. In all cases the purchase cardholder should contact their local Transportation Officer (TO) for detailed assistance.
- d. Transportation Terms
 - 1) Free-on-Board (FOB) Destination. FOB destination means the vendor pays the cost of transportation and includes it in the cost of the item. Cardholders should attempt to obtain FOB destination shipment terms.
 - 2) FOB Port of Embarkation. FOB Port of Embarkation (POE) means the vendor pays the cost of transportation to the Defense Transportation Regulation (DTR) Aerial/Water POE, or Defense Distribution Depot San Joaquin, CA (DDJC) for shipments destined OCONUS. Transportation charges from the Aerial/Water POE or DDJC to the overseas destination are paid using TAC N820.
 - 3) FOB Origin. FOB origin or pre-pay and add means the vendor bills for shipping and adds the cost as a separate line item. Cardholders should not accept FOB origin terms. In cases where the cardholders must accept FOB origin terms, any transportation charges will be paid from the procurement line of accounting.

2. CONUS Shipments.

- a. General Services Administration (GSA) Small Package Express Contract. The GSA Contract authorizes DON purchase cardholders to use their purchase card to ship items INCONUS when using the established contract carriers (Airborne, DHL Worldwide Express, Federal Express (FedEx), United Parcel Services) and to obtain the GSA negotiated contract rates when shipping administrative small packages under 150 pounds under FOB Origin terms. Administrative shipments are generally defined as shipments consisting of:

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

- 1) general correspondence
 - 2) personnel/payroll records
 - 3) laboratory samples (except for samples paid for by the Service-wide transportation (SWT) fund)
 - 4) electronic storage media (computer tapes, floppy discs, videos, etc.)
 - 5) blueprints
 - 6) legal, financial and contracting documents.
- b. Activities wishing to establish new accounts or convert existing accounts to allow use of the purchase card must contact the contract carriers. The following is a list of the most common contract carriers:

Airborne 1.800.247.2676 <http://www.airborne.com/home/home.asp>

DHL Worldwide Express 1.800.225.5345 http://www.dhl.com/main_index.html

FedEx Government Customer Account Services 1.800.645.9424

<http://www.fedex.com/us/government/?adobj=weekendshipping&pgsrc=services>

United Parcel Services 1.800.742.5877 <http://www.ups.com/>

- c. DON purchase cardholders are not authorized to use their purchase card to ship logistics items using a bill of lading or airway bill, or pay for cargo shipments, except for emergency shipments when the activity or base Transportation Officer is not available. In those instances, the purchase card may be used to pay for logistics shipments and these purchases shall be funded with activity or command operating funds.

3. Labeling of material.

- a. Shipping Labels. When a contractor within CONUS is shipping material, the contractor should be advised to include the following information on the shipping label:
- 1) Complete MARK FOR (M/F) address including the cardholder's Unit Identification Code (UIC), address, and departmental name or code for which the material is being procured.
 - 2) Requisition/order number.
 - 3) Merchant's name, address, and telephone number.
- b. Packing Slip. Additionally, a shipping document or packing slip should be included both on the outside and inside of each package with the following information:
- 1) Merchant's name, address, and telephone number.
 - 2) Date of order.
 - 3) Requisition number/job order number.
 - 4) Date of shipment.
 - 5) Required delivery date.
 - 6) Itemized list of supplies furnished, including quantity.
 - 7) Cardholder's name, code, and telephone number.
 - 8) Complete MARK FOR (M/F) address including UIC and address of end user.

DON Purchase Card Program
Approving Official (AO)
Desk Guide
(WinSALTS)

4. OCONUS Shipments to U.S. Navy Ships, Navy Mobile Units or Overseas Activities. The preferred method for the shipping of purchase card procured material overseas is the U.S. Postal Service (USPS) using the destination Fleet Post Office (FPO) address. If shipment is not made via USPS, cardholders are strongly encouraged to use the Defense Transportation System (DTS). The following information should be provided for the applicable transportation method/customer:
- a. U.S. Postal Service (USPS). When material is being shipped via USPS, the following information should be included:
 - 1) Shipping Label:
 - a) Complete MARK FOR (M/F) address including the cardholder's UIC, FPO address, departmental name or code, and telephone number (if available) for which the material is being procured.
 - b) Requisition/order number.
 - c) Merchant's name, address, and telephone number.
 - 2) Packing Slip. Additionally, a shipping document or packing slip should be included both on the outside and inside of each each package with the following information:
 - a) Merchant's name, address, and telephone number.
 - b) Date of order.
 - c) Requisition number/job order number.
 - d) Date of shipment.
 - e) Required delivery date.
 - f) Itemized list of supplies furnished, including quantity.
 - g) Cardholder's name, code, and telephone number.
 - h) Complete MARK FOR (M/F) address including UIC and address of end user.
 - b. Defense Transportation System (DTS) to OCONUS. Purchase cardholders shipping items OCONUS should follow guidance on packaging and labeling of OCONUS cargo moving in the Defense Transportation System (DTS) as defined by the Defense Transportation Regulation (DTR), Part II, Cargo Movement (DOD 4500.9-R), which is available electronically at <http://www.transcom.mil/J4/j4lt/dtr.html>. In addition, country specific customs clearance requirements are contained in the Foreign Clearance Guide (FCG) and the DTR, Part V, Customs. Contracting officers and purchase cardholders shall ensure that OCONUS shipments are prepared in accordance with the DTR guidance.

Purchase cardholders shall ensure that shipping instructions to the vendor, whether oral or written, contain the proper labeling, packaging, documentation and air/water clearance instructions. The contractor/supplier must be made aware of the packaging and documentation requirements for that specific item and country of final destination.

Due to the oral nature of purchase card orders, purchase cardholders should positively establish that the vendor understands and will comply with the

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

labeling, packaging, documentation and air/water clearance requirements prior to placing the order.

All hazardous and special handling materials must be properly packaged/prepared and certified in a manner authorized for military air shipment before arrival at the military aerial port. If this is not possible, then another mode of transportation should be selected. Detailed shipping requirements for shipment of hazardous or special handling materials must be obtained from the local Transportation Officer.

- c. U.S. Navy Ships and Navy Mobile Units. If the procured item is shipped via the DTS (i.e. using the Air Mobility Command (AMC) Channel missions or scheduled sealift container services to overseas destinations) to U.S. Navy Ships and Navy Mobile Units the purchaser must:

Address the shipment using the Cargo Routing Information File (CRIF) on the web system. Purchasers must provide vendors the appropriate shipping address using the information in the CRIF on the web, which is located at: <http://www.navtrans.navy.mil>.

This web site will provide GCPC holders with the information required to gain access to the CRIF. If GCPC holders have further questions regarding access, contact the FACTS help desk at DSN 646-5524 or commercial 757-443-5524. If you have problems, questions, or need assistance, contact the Naval Transportation Support Center (NAVTRANS) Air Clearance Authority at 757-443-5434.

- d. Overseas Shore Activities. If the procured item is shipped via the DTS (i.e. using the Air Mobility Command (AMC) Channel missions or scheduled sealift container services to overseas destinations) to Overseas Shore Activities the purchaser must provide the following information for the merchant to place on the shipping label:
- 1) Mark FOR (M/F) Address. Complete MARK FOR (M/F) address (an in-the-clear address when possible), including the cardholder's UIC, FPO address and departmental name or code of the activity for which the material is being procured.
 - 2) Transportation Control Number. Transportation Control Number (TCN) (which normally consists of the procuring activity's requisition number, and three character Defense Transportation Regulation (DTR) suffix), requisition number (if not provided in TCN), and order number.
 - 3) Transportation Account Code (TAC). The TAC utilized for purchase card procured material through DTS is N820, a Navy Service-Wide Transportation First Destination TAC. The use of TAC N820 is strictly limited to the movement of purchase card procured material items, from a DTR-designated Aerial or Water Port of Embarkation (APO/WPOE) or the Container Consolidation Point (CCP) at San Joaquin, CA (DDJC), to a cardholder activity when the activity is overseas, including deployed ships or mobile units. This TAC shall not be used for payment of transportation charges for domestic (including Alaska, Hawaii or Puerto Rico) shipments. The funding account paying for the purchase will pay for any associated transportation charge that has been added by the

DON Purchase Card Program
Approving Official (AO)
Desk Guide
(WinSALTS)

vendor. Its use is strictly limited to the movement of a purchase card procured item, from a DTR-designated APOE/WPOE or DDJC, to a cardholder activity when the activity is overseas including deployed ships and mobile units. It shall NOT be used for payment of transportation charges for domestic (including Alaska, Hawaii and Puerto Rico) shipments.

- 4) Transportation Priority (TP) and Required Delivery Date (RDD). TP1 or TP2 are for air shipments via AMC and TP3 is for surface (water) shipments. If the RDD is not cited in a TP1 or TP2 shipment, the material will be diverted to surface (water) carrier in accordance with DTR policy. An appropriate three digit Julian date or DTR RDD for the coinciding TP is to be used (i.e. TP1/999, TP1/NO5, TP2/777, etc.).
- 5) Shipping Labels. The shipping label should also include:
 - a) Consignee and SHIP TO address (DTS transshipment point).
 - b) Merchant's name, address, and telephone number.
- 6) East Coast DTS Port of Embarkation. For material entering a DTS Port of Embarkation (POE) on the east coast (i.e. Norfolk Naval Air Terminal or Norfolk Water Freight Terminal), consign and label as follows:

SHIP TO: N45750
VREP Contractor
TCN/TAC/TP/RDD/ M/F UIC*
8449 Air Cargo Road, Bldg LP-117
Naval Air Station
Norfolk, Virginia 23511-4496

*Example: N60514-8330-0100XXX/N820/TP2/777/N60514

- 7) West Coast DTS Port of Embarkation. For material entering a DTS POE on the west coast, consign and label as follows:

SHIP TO: W62N2A
DDJC San Joaquin Site
TCN/TAC/TP/RDD/ M/F UIC**
Building B1
Lathrope, CA 95330-0130

**Example: N68047-8330-0100XXX/N820/TP2/777/N68047

For all TP1/TP2 material and any items that may require special handling, (e.g. temperature controlled or signature service), contact NAVTRANS at 757-443-5434 or DSN 646-5434 for shipping, air clearance, and routing information.

Advance notification of the information contained in paragraph 6.c. above should be forwarded via Naval message, fax, or email by the cardholder to the appropriate transshipment point to ensure proper routing upon material receipt and to preclude frustration of material.

Approving Official (AO)
Desk Guide
(WinSALTS)

- e. Packing Slip. Regardless of which method of shipping is utilized (USPS or DTS), the vendor must include a packing slip inside each OCONUS shipment with the following information:
- 1) Merchant's name, address, and telephone number.
 - 2) Date of order.
 - 3) Requisition number/order number.
 - 4) Date of shipment.
 - 5) Required delivery date.
 - 6) Itemized list of supplies furnished, including quantities.
 - 7) Cardholder's name, code, and telephone number.
 - 8) MARK FOR (M/F) address, including UIC, FPO address (USPS shipment) or SHIP TO address (DTS shipment) of the activity for which the material is being procured.

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

1. DON Purchase Card CD-Based Tutorial:

The Government Purchase Card Training/Certification Course is the primary training resource for the on-going support of this program. Successful completion of this training certifies the student to participate in the Purchase Card Program.

Distribution Method: Initial distribution from NAVSUP and EBUSOPSOFF to all APCs. Additional copies can be ordered through EBUSOPSOFF.

Status: Over 30,000 copies have been distributed.

Contact: Linda Bailey, EBUSOPSOFF, linda_k_bailey@fmso.navy.mil, DSN 430.3114, (717.605.3114)

Adequacy: This tutorial's strength is high availability and in depth coverage of Navy/Marines Purchase Card policy. While the training discusses CitiDirect and WinSALTS aspects, its main weakness is lack of hands-on practice with the invoice certification tools – WinSALTS and CitiDirect.

2. DON Purchase Card On-Line Tutorial:

The Government Purchase Card Training/Certification Course is the primary training resource for the on-going support of this program. Successful completion of this training certifies the student to participate in the Purchase Card Program.

This on-line tutorial includes the same content as the CD-ROM tutorial discussed in paragraph 1 above.

Distribution Method: Internet: <http://www.don-ebusiness.navsop.navy.mil> and access the Purchase Card Policy section of the web site

Status: Currently available

Contact: Linda Bailey, EBUSOPSOFF, linda_k_bailey@fmso.navy.mil, DSN 430.3114, (717.605.3114)

Adequacy: This on-line tutorial provides in depth coverage of the Navy/Marines Purchase Card policy. While the training discusses CitiDirect and WinSALTS aspects, its main weakness is lack of hands-on practice with the invoice certification tools – WinSALTS and CitiDirect. It's availability can be limited for deployed Fleet members. The CD-ROM is highly recommended as the training tool of choice in this situation.

3. CitiDirect Interactive Tutorial:

This tutorial is available on the CitiDirect website after the user successfully logs in. The tutorial uses state of the art software techniques to present its topics. It is designed to meet the needs of first-time and seasoned CitiDirect users. For first-time users, the CitiDirect Interactive Tutorial walks through, step by step, each segment of the CitiDirect

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

system. After completing the tutorial, you will be able to utilize CitiDirect to reduce administrative time associated with managing your card program.

Seasoned CitiDirect users can access the CitiDirect Interactive Tutorial while in an active CitiDirect session. Simply click on the CitiDirect Interactive Tutorial option within Assistance to utilize the tutorial as a "quick help" resource.

Distribution Method: Internet

Status: Currently available to logged in users.

Contact: <http://www.citidirect-gcs.com>

Adequacy: The CitiDirect tutorial is a good training tool for all levels of Purchase Card participants as an introduction to the CitiDirect-PC interface. However, the tutorial needs to be updated to include new topics such as, Dynamic Reporting.

4. WinSALTS Navy Purchase Card Guide:

This guide is a self-paced learning tool which guides the user through the steps of viewing, certifying and submitting e-statements for payment using the WinSALTS software. This guide is a Microsoft Word document which is downloadable from the SALTS web site at <http://www.salts.navy.mil> and available through SALTS.

Distribution Method: Internet: <http://www.salts.navy.mil> and through SALTS.

Status: Currently downloadable

Contact:

SALTS Central,	help@salts.icpphil.navy.mil	215.697.1112
SALTS Norfolk,	norfolk@salts.navy.mil	757.836.3091
SALTS San Diego,	sandiego@salts.navy.mil	619.532.4036
SALTS Pearl Harbor,	pearl@salts.navy.mil	808.473.7526

Adequacy: This is a well written guide that includes screen captures of the software. It is highly available but lacks the hands-on experience.

5. SALTS Training Classes, Lecture/Demo Format:

The SALTS Central Operations team at NAVICP in Philadelphia coordinates and conducts monthly lecture/demo training sessions on the use of the WinSALTS software package. This training is based on the content of the six (6) volume set, User Manual for WinSALTS. Classes are ½ day in length.

These classes are conducted at the three SALTS sites - Norfolk, San Diego, and Pearl Harbor – and availability is announced via ALL SALTS messages. Classes are also available as on-site training and as pre-comm training. Contact SALTS Central for availability and scheduling.

Distribution Method: Scheduled lecture/demo class at SALTS sites.

Status: Currently available

Contact: SALTS Central, help@salts.icpphil.navy.mil 215.697.1112
SALTS Norfolk, norfolk@salts.navy.mil 757.836.3091
SALTS San Diego, sandiego@salts.navy.mil 619.532.4036
SALTS Pearl Harbor, pearl@salts.navy.mil 808.473.7526

Adequacy: These classes are taught by the SALTS experts and provide excellent hands-on training. The classes are however more comprehensive than required for Purchase Card usage.

6. SALTS Users Manuals – Volumes 1 – 6:

There is a six (6) volume set of WinSALTS User Manuals available via the internet or through SALTS. These manuals are the basis of the ½ day lecture/demo class offered by the SALTS Operation team. (See above for class details.)

Distribution Methods: SALTS and Internet: <http://www.salts.navy.mil>.

Status: Currently available

Contact: SALTS Central, help@salts.icpphil.navy.mil 215.697.1112
SALTS Norfolk, norfolk@salts.navy.mil 757.836.3091
SALTS San Diego, sandiego@salts.navy.mil 619.532.4036
SALTS Pearl Harbor, pearl@salts.navy.mil 808.473.7526

Adequacy: These manuals cover all the topic required for a Purchase Card Authoring Official (AO) to use WinSALTS to certify invoices. They do however require the AO to self-teach by reading the manuals.

7. STARS/FL Users' Course:

This 4-day lecture, hands-on class, presented by Diverse Technologies Corporation (DTC), is for new **STARS/FL** users or as a refresher for trained users. The format of the class consists of formal presentation, hands-on activities, team exercises, informal question and answers, and job aids as well as a comprehensive up-to-date student manual.

Distribution Method: Classes are scheduled on request and can be conducted as on-sites. Eight attendees is the recommended class size.

Status: Must be schedule for a group; not public offerings

Contact: Marie Leshher, DTC lesherm@diversetech.com 717.691.9450

DON Purchase Card Program Approving Official (AO) Desk Guide (WinSALTS)

Adequacy: This class is designed for financial personnel who require an extensive understanding of the STARS/FL system. Not recommended for board usage in the PC Program – suitable for financial management to track invoices through the system. Availability is a problem.

8. Naval Supply Corps Schools – Athens, GA:

The Naval Supply Corps School in Athens, GA, has integrated Purchase Card topics into the Supply Officer Department Head Course (SODHC). The content includes policy information and practical hands-on experience with both WinSALTS and CitiDirect.

Distribution Method: Content included in the standard NSCS curriculum.

Status: Currently available

Contact: <http://www.nscs.com/training2.asp?ID=A=8B-0017> This website includes schedules and sample presentations.

Adequacy: Hands on is covered in optional labs; all students complete the tutorial.

9. Procurement Management Review (PMR) Classes:

The Fleet and Industrial Supply Center, FISC, conducts regularly scheduled, one day Purchase Card classes. These class schedules are published on an annual basis.

The content of the classes includes appropriate topics on both CitiDirect and WinSALTS based versions of the Purchase Card Automation System. Hands on exercises are also included.

Distribution Method: Class schedules are published by FISC PMR groups on an annual basis. The San Diego FISC schedule is available at:

http://www.sd.fisc.navy.mil/contracts/proc_train.htm#cpc

The Norfolk FISC schedule is available at:

http://www.nor.fisc.navy.mil/Contracts/PMRStuff/PMR_training.htm

Status: FY02 Schedules currently available

Contact: Karen Davis, FISC, San Diego, Karen.L.Davis@sd.fisc.navy.mil
Liz Lewis, FISC, Norfolk, Elizabeth.V.Lewis@nor.fisc.navy.mil

Adequacy: These PMR FISC classes are excellent and provide a comprehensive coverage of the topics both policy and hands-on certification. Only major drawback would be individual scheduling issues – i.e. deployed.

10. AK/SK Supply Corps School, A-School, Meridian, MS:

The Supply Corps School, A-School, in Meridian, MS is merging the AK and SK curricula which will include a brief introduction to the Purchase Card Program. This introduction will be at a very elementary level and will be an appropriate introduction for the A-School students.

Distribution Method: Regularly scheduled classes at the Supply Corps school in Meridian, MS.

Status: Planned for inclusion in the modified AK/SK curriculum.

Contact: The Supply School's website includes information about the plan to merger the AK and SK curricula. Check here for details

<https://www.cnet.navy.mil/meridian/nttc/schoolhouses/supply/sk-akmerg.htm>

Adequacy: The current Storekeeper curriculum has minimal content related to the Purchase Card. The combined curricula will include a basic introduction suitable for the level of student.
